Important Notes

1. If the owner fails to correct the violation and the fines are not paid within forty-five (45) days of the certified letter, a lien will be placed on the owners' property. Ninety (90) days after the lien has been filed, the Board reserves the right to file a revised lien with additional fines and fees. This process will continue until the fines are paid and the violation is brought into compliance.
2. All fines not paid by the time required will be added to your account. Late fees will be added at the current established rate.
