In the case of an emergency or the Owner's uncooperative or untimely response to such request, the right of entry shall be immediate, whether the Owner is present at the time or not.

d. *Construction and Sale Easement.* Notwithstanding any provision contained in this Declaration or the Governing Documents, until the termination of the Appointment

Period and thereafter so long as Declarant owns any property in the Development Property for development or sale, Declarant reserves an easement across the Development Property for Declarant and any builder or developer approved by Declarant to maintain and carry on development activities, upon such portion of the Development Property as Declarant may deem desirable or necessary. This reserved easement shall include an easement for such facilities and activities which, in the sole opinion of Declarant, may be required, convenient or incidental to the development, construction and sales activities related to property within or near the Development Property. This easement shall include, without limitation: (i) the right of access, ingress and egress for vehicular and pedestrian traffic and construction activities over, under, or in any portion of the Development Property as well as any Lot therein; (ii) the right to tie into any portion of the Development Property with driveways, parking areas and walkways; (iii); the right to tie into or otherwise connect and use (without a tap-on or any other fee for so doing), replace, relocate, maintain, and repair any device which provides utility or similar services; (iv) the right (but not the obligation) to construct recreational facilities on Common Area; (v) the right to carry on sales and promotional activities in the Development Property; (vi) the right to place direction and marketing signs on any portion of the Development Property, including any Lot or Common Area; (vii) the right to construct and operate business offices, signs, construction trailers, model residences, and sales offices incidental to the construction, development and sales activities; and (viii) Declarant and any such builder or developer may use residences, offices, or other building owned or leased by Declarant or such builder or developer as model residences and sales offices, and may also use recreational facilities available for use by the Development Property as a sales office or for marketing purposes without charge. Rights exercised pursuant to such reserved easement shall be exercised with a minimum of interference to the quiet enjoyment of affected property, and reasonable steps shall be taken to protect such property from damage. Any damage shall be repaired by the Person causing the damage at its sole expense.

e. *Association Maintenance, Safety and Security.* The Association shall have the right, but not the obligation, to enter upon any Lot for emergency, security and safety reasons, to perform maintenance as further set forth herein, and to inspect for the purpose of ensuring compliance with the Governing Documents. Such right may be exercised by any member of the Board, the Association's officers, agents, employees, and managers, and all police officers, firefighters, ambulance personnel and similar emergency personnel in the performance of their duties. Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner. This right of entry shall include the right of the Association to enter upon any Lot to cure any condition which may increase the possibility of a fire, slope erosion or other hazard in the event an Owner fails or refuses to cure the condition within a reasonable time after requested by the Board.

f. *Declarant Inspect and Right to Correct.* Declarant reserves for itself and others it may designate the right to inspect, monitor, test, redesign, and correct any structure, Improvement, or condition which may exist on any portion of the Development Property, including any Lot, and a perpetual, nonexclusive easement of access

throughout the Development Property to the extent reasonably necessary to exercise such right. Except in an emergency (as used herein an emergency involves the threat of serious bodily injury or significant damage to property), entry onto a Lot shall be only after reasonable notice to the Owner and no entry into a dwelling shall be permitted without the consent of the Owner. The costs to correct any condition or Improvement on an Owner's Lot shall be borne by the Owner. The Person exercising this easement shall promptly repair, at such Person's own expense, any damage resulting from such exercise.

g. *Federal, State and Local Entity.* An easement is hereby established for the benefit of any applicable federal, state, or local entity over all portions of the Development Property for the setting, removing, and reading of water meters; for maintaining and replacing water, sewage, and drainage facilities; for police protection, fire-fighting, and garbage collection; and rendering of such other services as are appropriate and necessary for the use and enjoyment of the Development Property.

h. *Fence Easement.* Declarant during the Appointment Period and thereafter the Board reserves an easement across any Lot which borders upon or contains a portion of any pond, lake, dam, water facility, detention pond or retention pond for the purpose of access to such facility or pond, and for the purpose of erecting any fence which is either required by the subdivision development and construction plans or governmental regulation, rule, ordinance or plan approval requirement.

i. *Pedestrian Access Easement.* There shall exist in the public land records, as depicted on the Plat, an easement for pedestrian access, indicated as the Pedestrian Access Easement on the Plat ("Trail"), granted to The City of Lebanon ("Lebanon") that enables Lebanon to, among other things, construct and maintain a pathway to be located within the Trail and regulate the activity thereon. Lebanon shall be responsible for the performance of any covenants made in any recorded easement pertaining to the Trail to which Lebanon is a party to, which includes (but is not limited to) establishing and enforcing rules and regulations governing the use of the Trail. In the absence of any such express grant of authority in a separate easement document, the Association shall retain authority to regulate all aspects of the Trail and access thereto. The Association shall be responsible for maintaining and replacing the landscaping within the Trail; Lebanon will be responsible for all other costs associated with the construction or maintenance of the Trail.

15. **Condemnation.** If any Common Area or interest therein are taken under exercise of the power of eminent domain or by purchase under threat thereof, the award in condemnation or the price payable shall be paid to the Association, except to the extent payable to any other Person with an interest in such property. The Association, by and through the Board, shall have the exclusive right to participate in such condemnation proceedings as they pertain to the Common Areas and to represent the interests of all Owners in such proceedings. Each Owner hereby irrevocably appoints the Association and any such duly appointed trustee as such Owner's attorney-in-fact for such purposes. All condemnation compensation, damages, or other

proceeds received by the Association shall be held by the Association as determined by the Board, as a reserve for future maintenance, repair, reconstruction, or replacement of Development Property, or may be used for improvements or additions to, or operation of, Development Property; provided, however, if an allocation of such condemnation compensation damages or other proceeds is already established in negotiation, judicial decree, or otherwise, then in allocating such condemnation compensation, damages, or other proceeds the Association shall employ such allocation.

16. **Rules and Regulations.** The Association, acting through the Board, or other appointed committee, may from time to time adopt, amend, repeal, and enforce Rules and Regulations as may be deemed necessary or desirable with respect to the interpretation and implementation of this Declaration or any Supplemental Declaration, the operation of the Association and the use and enjoyment of Development Property. Any such Rules and Regulations shall be uniformly applied, but the applicability of a particular rule to a particular situation shall be in the sole discretion of the Board. Each Owner shall comply with such Rules and Regulations. In the event of any conflict between the Rules and Regulations and the provisions of this Declaration, the provisions of this Declaration shall prevail.

17. **Enforcement.** The Association, acting through the Board, shall have the power to enforce the provisions of this Declaration, any Supplemental Declaration, and the Governing Documents and shall take such action as the Board deems necessary or desirable to cause such compliance by each Owner by any one or more of the following means: (a) by commencing and maintaining actions and suits to restrain and enjoin any breach or threatened breach of the provisions of this Declaration, any Supplemental Declaration or the Governing Documents, by mandatory injunction or otherwise; (b) by commencing and maintaining actions and suits to recover damages for breach of any of the provisions of this Declaration, any Supplemental Declaration, or the Governing Documents and for all expenses incurred in connection therewith, including reasonable attorney's fees; (c) by levying and collecting reasonable and uniformly applied fines and penalties established for breach of this Declaration, any Supplemental Declaration, or the Governing Documents; (d) by taking such action as reasonably necessary to bring a Lot and any Improvements thereon into compliance with this Declaration, any Supplemental Declaration, or the Governing Documents, the costs of which shall be at the Owner's sole expense; (e) by suspending the right to vote and/or the right to use and enjoy the recreational facilities; and (f) by exercising any remedy for nonpayment of Assessments as provided herein. The Association shall have a lien on any Lot and any Improvement thereon to secure payment of the amounts described in this Paragraph, and such lien may be enforced in the same manner and with the same priority as that of a lien for Assessments as provided herein. The Association, by contract or other agreement, may enforce county and city ordinances, if applicable, and local governments may enforce their ordinances within the Development Property.

18. **No Waiver.** The Association shall not be obligated to take action to enforce any covenant, restriction or rule which the Board reasonably determines is, or is likely to be construed as, inconsistent with applicable law, or in any case in which the Board reasonably determines that the position is not strong enough to justify taking enforcement action. Any such

determination shall not be construed as a waiver of the right to enforce such provision under other circumstances or estop the Association from enforcing any other covenant, restriction or rule. The failure by the Declarant or the Board to enforce any covenant, restriction or Rule and Regulation provided in or by this Declaration, Supplemental Declaration or Governing Documents shall in no event be deemed a waiver of the right to do so thereafter.

19. **Safety and Security.** Each Owner and occupant of a Lot and their respective guests and invitees, shall be responsible for their own personal safety and the security of their property within the Development Property. The Association may, but shall not be obligated to, maintain or support certain activities within the Development Property designed to enhance the level of safety or security which each Person provides for himself or herself and his or her property. Neither the Association, the Declarant nor their officers, agents, members or employees shall in any way be considered insurers or guarantors of safety or security within the Development Property, nor shall any of the foregoing be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken. The obligation to provide security lies with each Owner individually. **No representation or warranty is made that any security system or measures, including any mechanism or system for limiting access to the Development Property, cannot be compromised or circumvented, nor that any such systems or security measures undertaken will in all cases prevent loss or provide the detection or protection for which the system is designed or intended. Each Owner acknowledges, understands, and shall be responsible for informing its guests, invitees, tenants and all occupants of a Lot that the Association, their Board of Directors and committees, and the Declarant are not insurers or guarantors of safety or security and that each Person within the Development Property assumes all risks of personal injury and loss or damage to property, including Lots and Improvements thereon and the contents upon Lots, resulting from acts of third parties.**

20. **General Corporate Powers.** The Association shall have all of the ordinary powers and rights of a Tennessee nonprofit corporation, including without limitation, the power and right to enter into partnerships and other agreements, subject only to such limitations upon such powers as may be set forth in this Declaration or in the Articles of Incorporation for the Association or the By-Laws. The Association shall also have the power to do any and all lawful things which may be authorized, required, or permitted to be done under this Declaration, under any Supplemental Declaration, or under the Governing Documents, and to do and perform any and all acts which may be necessary or desirable for or incidental to, the exercise of any of the express powers or rights of the Association under this Declaration, under any Supplemental Declaration, or under the Governing Documents.

Article V

DEVELOPMENT PROPERTY MAINTENANCE

1. **General Owner Use and Enjoyment Rights.** Except as may be provided in this Declaration, Supplemental Declaration or the Governing Documents, every Owner shall have a right and easement of enjoyment in and to the Development Property, which shall be

appurtenant to and shall pass with the title to each Lot, subject to applicable law, the provisions contained in this Declaration, any Supplemental Declaration, and the Governing Documents.

2. **No Partition.** No Owner shall have the right to partition or seek partition of the Development Property or any part thereof.

3. **Owner Liability for Damage.** Each Owner and any tenant, occupant, family member, guest, agent, servant, or invitee thereof shall be liable to the Association for any damage to the Development Property or for any expense or liability incurred by either Association, to the extent not covered by insurance, which may be sustained by reason of the negligence or willful misconduct of such Owner or tenant, occupant, family member, guest, agent, servant, or invitee of such Owner and for any violation by such Owner or tenant, occupant, family member, guest, agent, servant, or invitee of this Declaration, any Supplemental Declaration, or the Governing Documents. The Board shall have the power, as elsewhere provided in this Declaration to levy and collect Reimbursement Assessments against an Owner to cover the costs and expenses incurred by the Association on account of any such damage or any such violation of this Declaration or Governing Documents, or for any increased insurance premiums directly attributable to any such damage or any such violation.

4. **Damage, Destruction, or Required Improvements.** In the event of damage to Common Areas by fire or other casualty or in the event any governmental authority shall require any repair, reconstruction, or replacement of any Development Property, the Association shall have the duty to repair, reconstruct, or replace the same. Any insurance proceeds payable by reason of damage or destruction of Development Property by fire or other casualty shall be paid to the Association and shall be used and disbursed as provided herein. If funds from insurance proceeds or available reserves are insufficient to pay all costs of repair, reconstruction, or replacement of Improvements damaged or destroyed, or if the Association is required to make repairs, replacements, or Improvements by governmental authorities, the Association may, in order to make up any deficiency in the insurance proceeds or to pay for the required repair, replacement, or Improvement, levy a Special Assessment as provided herein, or if an Owner or group of Owners is liable or responsible for such damage, levy a Reimbursement Assessment against the Owner or group of Owners responsible therefor, to provide the additional funds necessary as elsewhere provided in this Declaration. Repair, reconstruction, or replacement of Development Property shall be done under such contracting and bidding procedures as the Board shall reasonably determine are appropriate.

5. **Lot Damage, Destruction, or Maintenance.** In the event of damage or destruction to any Improvement on a Lot, the respective Owner thereof agrees as follows:

a. In the event of total destruction, the Owner shall promptly clear the Lot of debris and leave same in a neat and orderly condition. To the extent the Owner desires to reconstruct the Improvement, any such reconstruction shall be accomplished in conformity with the Plans and specifications of the original structure so destroyed, subject to any changes or modifications as approved by the Board or the ARC (defined below).

b. In the case of partial damage or destruction, the Owner shall promptly clear the Lot of debris and cause the damage or destruction to be repaired and restored in a first-class condition in accordance with the Plans and specifications of the original structure. Any change or alteration must be approved by the ARC. In no event, shall any damaged structure be left unrepaired and unrestored in excess of ninety (90) days.

c. If the correction of a maintenance or repair problem incurred on one Lot necessitates construction work or access on another Lot, the Owner shall have an easement on the property of the other Owner for the purpose of this construction. The Lot Owner performing said construction or repairs shall be responsible for the cost of restoration on any such Lot necessitated by the use of the easement thereon.

6. **Title to Association Properties upon Dissolution.** In the event of the dissolution of the Association, the Development Property shall, to the extent reasonably possible, be conveyed or transferred to an appropriate public or governmental agency or agencies, or to a non-profit corporation, association, trust, or other organization, to be used, in any such event, for the common benefit of Owners for purposes similar to those for which the Development Property was held by the Association. To the extent the foregoing is not possible, the Development Property and the proceeds from the sale or disposition shall be distributed equally to the Owners.

Article VI **DECLARANT'S RIGHTS AND RESERVATIONS**

1. **Applicability and Term.** Declarant shall have and hereby retains and reserves certain rights set forth in this Declaration with respect to the Association and the Development Property. Declarant's rights and reservations set forth herein shall be deemed excepted and reserved in each recorded Supplemental Declaration, in each conveyance of property by Declarant to the Association, and in each deed or other instrument by which any property within the Development Property is conveyed, whether or not specifically stated therein. The rights, reservations, and easements of Declarant set forth in this Declaration during the Appointment Period may not, without Declarant's prior written consent, be modified, amended, rescinded, or affected by any amendment hereto, including any amendment of this Article. Declarant's consent to any such amendment shall not be construed as consent to any other or subsequent amendment. In the event of any conflict between the rights reserved to Declarant hereunder and any other provisions of this Declaration, then Declarant's rights shall control. In the event of Declarant default of its development loan or other financing related to the development of the Development Property that results in the transfer of ownership of the Development Property or portion thereof to the lender, then all of Declarant's rights, duties, obligations, liabilities and any other responsibility set forth in this Declaration shall automatically be transferred and assigned to such lender and thereafter to the Person acquiring the Development Property or portion thereof from the lender.

2. **Additional Improvements.** Declarant shall have and hereby reserves the right, at any time and from time to time, but shall not have the obligation, to construct additional

Improvements on Development Property which are for the betterment and enhancement thereof and for the benefit of the Association and the Owners. Declarant will convey or transfer such Improvements to the Association, which shall be obligated to accept title to, care for, and maintain the same as elsewhere provided herein.

3. **Conveyance of Additional Property.** Declarant shall have and hereby reserves the right, but shall not be obligated to, convey additional real property and Improvements thereon to the Association at any time and from time to time in accordance with this Declaration, and the Association shall be obligated to accept title to, care for, and maintain the same as elsewhere provided herein.

4. **Promotion and Marketing.** Declarant shall have and hereby reserves the right to use the Development Property in connection with development, construction, promotion, marketing, sale and leasing of properties within the Development Property, by erecting and maintaining on any part of the Development Property such signs as Declarant, in its sole discretion, may deem desirable, necessary, or proper in connection with the development, construction, promotion, marketing, sale and leasing of parcels of real property within the Development Property, and by permitting prospective purchasers of any of such parcels who are not Owners to enter upon Development Property.

5. **Easements.** Declarant shall have and hereby reserves the right to grant or create temporary or permanent easements and rights-of-way for access, utilities, water, drainage, and other purposes incident to development, construction, or sale within the Development Property as may be located in, under and across Development Property, provided that such easements and rights-of-way that are located within the Development Property do not unreasonably interfere with the rights of Owners.

Article VII **ASSESSMENTS**

1. **Covenant to Pay and Commencement.** Each Owner by acceptance of a deed to his Lot, whether or not it shall be so expressed in such deed, is thereby deemed to covenant and agree to pay to the Association: (a) Common Assessments, (b) Working Capital Fund Assessments; (c) Special Assessments, (d) Supplemental Assessments, (e) Reimbursement Assessments, and (f) fines or charges which may be imposed against such Lot in accordance with the provisions of this Declaration. An Owner's obligation to pay Assessments and any other duly levied charge shall commence on the first day of the first month following the transfer or conveyance to a Person other than the Declarant. Assessments for the then current Assessment Year shall be prorated on the basis of the number of months remaining in such Assessment Year.

2. **Common Assessment.** The Board shall have the power and authority to levy a "Common Assessment" to fund the annual or other periodic costs of operating the Association, including expenses incurred in connection with any Administrative Function and other expenses duly incurred by or on behalf of the Association which are to be paid by each Owner to the

Association. Expenses which may be duly incurred on behalf of the Association in connection with the performance of Administrative Functions include, without limitation, the following:

a. Expenses of maintenance, operation, repair, replacement, and security of the Common Area, including, without limitation, costs of labor, equipment, and materials incurred in connection therewith.

b. Utility charges for utilities serving the Common Areas and for the lighting of streets throughout the Common Areas, as well as charges for other common services for the Development Property.

c. Expenses related to sprinkler systems, supplemental trash disposal, recycling collection, seasonal decorative lighting, and other seasonal landscaping.

d. Principal, interest, and other charges payable with respect to: (i) loans to the Association to provide funds to perform any Administrative Function or to pay any other obligation of the Association, including, without limitation, loans financing the construction of Improvements for the Development Property and (ii) loans from Declarant made to the Association to fund Association expenses prior to the time when Common Assessments payable by Owners other than Declarant are sufficient to fund the normal operating expenses of the Association.

e. Other expenses as may be determined from time to time by the Board to be incurred necessarily or appropriately for the performance of Administrative Functions, including, without limitation, taxes, insurance premiums, utility charges, and government charges not separately assessed against Lots.

f. The establishment and maintenance of a reasonable reserve fund or funds for: (i) maintenance, repair, and replacement of those portions of the Development Property and Improvements thereon that are the responsibility of the Association and that must be maintained, repaired, or replaced on a periodic basis; and (ii) to cover unforeseen operating contingencies or deficiencies arising from unpaid Assessments or liens, as well as from emergency expenditures and other matters, all as may be authorized from time to time by the Board.

3. Common Assessment Calculation. Prior to commencement of each Assessment Year, the Board shall fix the amount of the Common Assessment by preparing a Budget for the Administrative Functions to be provided by the Association in the coming Assessment Year. The proposed Budget is to show the categories of expenses and the anticipated amounts of expenses for which Common Assessments are determined by the Board to be necessary or desirable, and shall reflect any expected income and estimated sources and amounts thereof of the Association for such Assessment Year, as well as any expected surplus from the prior Assessment Year. At the office of the Association or its agent, copies of the proposed Budget and the Budget for the current Assessment Year will be made available by the

Association to any Person requesting a copy thereof upon payment of the reasonable expense of copying same. The Board shall allocate the Common Assessment equally among the Lots.

4. **Assessment Notice.** Notice of any Assessment set forth herein shall be sent by prepaid U.S. Mail, FedEx, UPS, or other reputable private carrier, facsimile transmission, or electronic transmission at the address or other contact information provided to the Board by the Owner for notices provided herein or in the event no separate address or other contact information has been provided, then by prepaid U.S. Mail or hand delivery to the Owner's Lot. Such notice shall state the type of Assessment being levied, the amount to be paid, payment frequency (annual, quarterly, monthly, or as otherwise set by the Board), and the payment due date(s), as well as any other required information. Notices will be given to Owners in a reasonable period of time prior to the payment or first installment due date.

5. **Delinquent Payment.** All Assessments or other duly levied charge or fine under this Declaration shall be due and payable on date set forth in the notice related thereto. Any Assessment or any portion thereof not paid when due shall be deemed delinquent. Any Assessment delinquent for a period of more than ten (10) days shall incur a late charge in an amount as may be determined by the Board from time to time and shall bear interest from the date due at 10% per annum until paid, but in no event shall the interest charged be in excess of the Delinquency Interest Rate.

6. **Failure to Establish Common Assessments.** The failure by the Board to levy Common Assessments for any Assessment Year shall not be deemed a waiver or modification of any provision of this Declaration or a release of liability of any Owner to pay Common Assessments, or installment thereof, for that or any subsequent Assessment Year. In the event of such failure, the amount of the Common Assessment for that Assessment Year shall be, until subsequently modified by the Board, the same as for the most recent year for which Common Assessments shall have been levied.

7. **Exempt Property.** Development Property or any portion thereof that is dedicated to and accepted by a local public authority, that is granted to or used by a utility company, or is designated as part of the Common Areas shall be exempt from Assessments.

8. **Working Capital Fund Assessment.** Each Owner of a Lot shall pay a "Working Capital Fund Assessment" in such amount as set by the Board from time to time to the Association at the closing of the sale of a Lot, excluding the sale of a Lot to a Builder. The Working Capital Fund Assessment will apply to the first sale of a Lot and to every subsequent sale of such Lot. The Working Capital Fund Assessment shall not be considered as advance payment of any Assessment or other duly levied charge. The amount of the Working Capital Fund Assessment may be increased in the discretion of the Board. The Working Capital Fund Assessment shall be held and disbursed for the following purposes in the order of priority:

a. To fund costs of maintenance of the Common Areas and the Administrative Functions of the Association that cannot be funded by Assessments.

b. To reimburse the Declarant for all amounts loaned or otherwise expended by Declarant to the Association to fund any operating deficits.

c. To assure that the Association will have cash available to meet unforeseen expenditures or to acquire additional equipment or services deemed necessary or desirable by the Board.

9. [Intentionally Deleted]

10. **Special Assessments.** The Board may levy one or more Assessments to be known as "Special Assessments" for the purpose of raising funds, not provided by Common Assessments to: (a) construct or reconstruct, repair, remodel, replace, or maintain Improvements upon Development Property, including necessary personal property related thereto, and to pay ad valorem taxes and insurance on Development Property; (b) add to the Development Property; (c) provide for necessary facilities and equipment to offer the services authorized in this Declaration; (d) repay any loan made to the Association to enable it to perform any duty or function authorized in this Declaration; or (e) pay for any other cost or expense as determined by the Board. The amount of Special Assessment to be paid by each Owner shall be calculated in the same manner as Common Assessments and may be made payable in installments over a period that may extend beyond the Assessment Year in which the resolution was adopted. In addition to the other information required to be set forth in Assessment notices, a Special Assessment notice shall state the purpose of the Special Assessment.

11. **Supplemental Assessments.** In any Assessment Year, if the Board determines that the important and essential functions of the Association may not be fully funded by the Common Assessment received or receivable for that Assessment Year, the Board may levy one or more Assessments to be known as "Supplemental Assessments," applicable to that year only, by resolution authorizing same. The amount of Supplemental Assessment to be paid by each Owner shall be calculated in the same manner as Common Assessments and may be made payable in installments over a period that may extend beyond the Assessment Year in which the resolution was adopted. In addition to the other information required to be set forth in Assessment notices, a Supplemental Assessment notice shall state the amount of the deficit and the reasons therefor.

12. **Reimbursement Assessment.** Subject to the provisions hereof, the Board may levy an Assessment, known as a "Reimbursement Assessment" against any Owner(s) to reimburse the Association for any loss sustained by reason of the willful or negligent failure of such Owner(s) to comply with this Declaration, any Supplemental Declaration the Governing Documents, which resulted in the expenditure of funds by the Association to remedy a problem or to cause such compliance. In addition to the other information required to be set forth in Assessment notices, a Reimbursement Assessment notice shall state the reason(s) therefor.

13. **Developer Responsibility.** Until the termination of the Appointment Period, the Declarant shall not be liable for payment of assessments on its unsold Lots. However, Declarant may, but shall not be obligated to, elect to contribute to the Association the difference between the amount of Assessments levied on all other Lots subject to assessment and the amount of the Association's actual expenditures during the fiscal year (a "Subsidy"). Any Subsidy may be treated, in Declarant's discretion, as either: (a) voluntary contribution; (b) an advance against future Assessments (if any); or (c) a loan by Declarant to the Association. A Subsidy may be evidenced by one or more promissory notes from the Association in favor of Declarant or Declarant may cause the Association to borrow such amount from a commercial lending institution at the then prevailing rates for such a loan in the local area of the Development Property. Any Subsidy shall be disclosed as a line item in the Budget. The payment of a Subsidy in any year shall under no circumstances obligate Declarant to continue payment of such Subsidy in future years. In the event Declarant expends any of its own funds for Administrative Functions, Declarant shall be entitled to reimbursement from the Association or a credit for such sums against any Assessment that Declarant might be required to pay by virtue of being an Owner. Declarant will not be obligated to pay any operating fund deficiencies that are due to non-payment of Assessments by Owners other than Declarant, and nothing contained in this Paragraph shall be deemed to relieve or release any Owner from the obligation of that Owner to pay Assessments. The decision of Declarant to fund any deficit provided for herein may be satisfied in the form of a cash substitute or by "in kind" contribution of materials and substances or a combination thereof. All "in kind" contributions of services and materials shall be valued at the reasonable market value of such service or materials.

14. **Enforcement: Liens and Personal Obligation.** In order to secure payment of Assessments, fines, or other duly levied charges assessed against any Lot within the Development Property pursuant to this Declaration as same become due, there shall arise a continuing lien and equitable charge ("Assessment Lien") in favor of the Association for all such sums, together with court costs, reasonable attorney's fees, late charges, any other collection costs, and interest thereon as provided herein (collectively, "Non-compliance Damages"). If any Assessment, fine, or other duly levied charge remains unpaid for sixty (60) days from the original due date, the Association may, as the Board shall determine, institute suit to collect Noncompliance Damages, foreclose its Assessment Lien, or both. The Assessment Lien shall be in favor of the Association and each Owner, by acceptance of a deed to a Lot vests in the Association, or its agents, the right and power to sue or otherwise proceed against such Owner for the collection of Noncompliance Damages and/or to foreclose the Association's Assessment Lien. The Association shall have the power to bid on the Lot at any such foreclosure sale and to acquire, hold, lease, mortgage, and convey same except that the amount the Association may bid at any such sale may not exceed the total amount owed to the Association by the delinquent Owner. The Noncompliance Damages shall also be the personal obligation of the Person who was the Owner at the time the Assessment, fine, or other duly levied charge became due. Such personal obligation shall not pass to successors in title unless expressly assumed by them. Any sale or transfer described herein shall not relieve such Lot from liability for any Assessments accruing after such sale or transfer.

15. **Priority of Assessment Lien.** The Assessment Lien described in the preceding Paragraph shall be superior to all other liens and encumbrances on such Lot except for: (a) liens of ad valorem taxes; and (b) a lien for all sums unpaid on a first Mortgage, on any secondary purchase money Mortgage, or on any Mortgage to Declarant, and all amounts advanced pursuant to any such Mortgage and secured thereby in accordance with the terms of such instrument; provided, however, that the subordination of the Assessment Lien to the foregoing Mortgages shall apply only to Assessments that shall have become due and payable prior to a sale or transfer of such Lot pursuant to a foreclosure. Further, notwithstanding the foregoing, any Mortgage held by a party related to, affiliated with, or controlled by the Owner of the Lot on which such Mortgage exists shall not be entitled to such priority unless such Mortgagee obtains the written agreement of the Association that it will be entitled to such priority before making such Mortgage. All Persons acquiring other liens or encumbrances on any Lot after the recording of this Declaration shall be deemed to consent that such liens or encumbrances shall be inferior to such future equitable charges and liens for Assessments as provided herein, whether or not such prior consent shall be specifically set forth in the instruments creating such liens or encumbrances.

16. **No Offsets.** All Assessments shall be payable in the amounts specified in the notice related thereto, and no offsets or reductions thereof shall be permitted for any reason, including, without limitation, any claim of non-use of Development Property or Improvements thereon or any claim that the Association, the Board, or any committee of the Board is not properly exercising its duties and powers under this Declaration.

17. **Estoppel Certificate.** Upon the payment of such reasonable fee as may be determined from time to time by the Board and upon the written request of any Owner or any Mortgagee or Person intending to acquire any right, title, or interest in the Lot of such Owner, the Association shall furnish a written statement setting forth the amount of any Assessments or other amounts, if any, due and owing to the Association and then unpaid with respect to such Lot and/or the Owner thereof, as well as the amount of any Assessment levied against such Lot, which is not yet due and payable. Such statement shall, with respect to the Person to whom it is issued, be conclusive against the Association to establish that no greater or other amounts were then due or accrued and unpaid and that no other Assessments were then levied and unpaid against such Lot.

18. **Records of Assessments.** The Association shall cause to be maintained in the office of the Association or their Managing Agent a record of all Owners, their Lot(s), and the Assessments, fines, and/or other duly levied charges applicable thereto that shall be open to inspection by any Owner.

Article VIII
ANNEXATION AND WITHDRAWAL OF PROPERTY

1. **Annexation by Declarant.** From time to time during the Appointment Period, Declarant may unilaterally add to the Development Property additional real property adjacent to the Development Property and subject same to the Development Property as Future Phase

Property. Declarant may transfer or assign this right to annex property, provided that such transfer is memorialized in a written, recorded instrument executed by Declarant. Nothing in this Declaration shall be construed to require Declarant to annex or develop any additional property in any manner whatsoever.

2. **Annexation by Members – Post Appointment Period.** Following the termination of the Appointment Period, the Members may annex additional real property adjacent to the Development Property and subject same to the Development Property as Future Phase Property, upon the affirmative Vote of Members representing at least two-thirds (2/3) of the total collective Votes in the Association present in person or by proxy at a meeting duly called for such purpose.

3. **Manner of Annexation.** Any parcel of real property to become part of the Development Property and to be made subject to this Declaration ("Future Phase Property") shall be effective upon Recording of a Supplemental Declaration that meets the following requirements: each Supplemental Declaration shall (a) be executed by the then Owner(s) of the Future Phase Property described therein; (b) contain an adequate legal description of the Future Phase Property; (c) contain a reference to this Declaration stating its Recording book and page or instrument number; and (d) contain a statement that the Future Phase Property is declared to be part of the Development Property under this Declaration and that the Future Phase Property shall be subject to this Declaration.

4. **Withdrawal Annexed Property by Declarant.** Annexed Property or any portion thereof for which a Supplemental Declaration has been recorded may be withdrawn by the Declarant from the Development Property, from this Declaration, and/or from such Supplemental Declaration related thereto. Article IX

IMPROVEMENTS AND ARCHITECTURAL STANDARDS

1. **General.** No structure shall be placed, erected or installed upon any Lot and no Improvements (including staking, clearing, other site work, exterior alteration of existing improvements, painting or modifying fences, and planting or removal of landscaping materials) shall take place except in compliance with this Article and approval by the appropriate entity. Notwithstanding the foregoing, the Board may, by resolution, exempt certain activities from the application and approval requirements of this Article provided such activities are undertaken in strict compliance with the requirements of such resolution. Any Owner may remodel, paint, or redecorate the interior of structures on his Lot without approval. However, modifications to the interior of screened porches, patios, and similar portions of a Lot visible from outside the structures on the Lot shall be subject to approval. No approval shall be required to repaint the exterior of a structure in accordance with the originally approved color scheme or to rebuild in accordance with originally approved plans and specifications. This Article shall not apply to the activities of Declarant or the Association.

2. **Designation of Committee.** The Association may have an Architectural Review Committee (“**ARC**”), which shall consist of up to five (5) members. During the Appointment Period, the Declarant shall appoint the members of the ARC, who shall be subject to removal at any time by Declarant. Declarant in its sole discretion, may alone constitute the ARC and until the ARC is so appointed, all references herein to the ARC shall mean the Declarant. After the termination of the Appointment Period, the members of the ARC shall be appointed and shall be subject to removal at any time by the Board. After the termination of the Appointment Period, the Board alone may constitute the ARC and until the ARC is so appointed, all references herein to the ARC following the termination of the Appointment Period shall mean the Board. The ARC shall designate an individual as its secretary, and all communications with the ARC shall be conducted through the secretary.

3. **Function of ARC.** No Improvement shall be erected, constructed, placed, maintained, or permitted to remain on any portion of the Development Property until the Plans and specifications therefor showing the nature, shape, height, materials, color, location, and any other information required by the ARC have been submitted to and approved in writing by the ARC. The ARC shall determine in its sole discretion whether or not the proposed Improvement, and all features thereof, is consistent with the overall development scheme for the Development Property and otherwise compatible with other Improvements constructed in the Development Property. The ARC shall be the sole judge and arbiter of such consistency and compatibility. As a prerequisite to consideration for such approval, and prior to commencement of proposed work, the Owner, Builder, or any agent thereof shall make the necessary submissions as required by the ARC, together with the applicable fee(s), if any, to be charged by the ARC to defray its costs incurred in considering and acting upon any proposed Plans that may require changes for approval, including costs incurred for an architect’s review of the proposed Plans, if necessary. The ARC may refuse approval of any Plans that in its sole judgment are inconsistent with the overall purpose and aesthetic values of the Development Property or the architectural standards described herein and in the Design Guidelines, if any. The ARC shall be the sole arbiter of submitted Plans and may withhold its approval for any reason, including purely aesthetic reasons. The ARC has the authority to waive the requirements set forth in this Article or any portion thereof, as well as to pre-approve Plans and specifications for Builders constructing Improvements upon multiple Lots.

4. **Design Guidelines.** The ARC may, in its discretion, promulgate Design Guidelines specifying acceptable architectural styles, permissible materials, and acceptable locations for the construction of all Improvements within the Development Property. All Plans for Improvements must be consistent with such Design Guidelines, which may be amended from time to time by the Declarant during the Appointment Period and thereafter the Board. Copies of the current Design Guidelines, if any, may be purchased at a reasonable cost.

5. **Submission of Plans.** Any Owner, Builder, or any agent thereof desiring to construct an Improvement upon any Lot shall first have detailed Plans prepared for such Improvement, which shall be prepared by a licensed architect or approved home designer acceptable to the ARC. The scaled Plans to be submitted for ARC review are to include the

following: (a) plot plan, survey or copy of the recorded plat showing the dimensions of the Lot, the proposed location of all Improvements to be placed upon the Lot, including but not limited to any detached structures such as sheds, garages, swimming pools, pool houses, guest houses, walls and/or fences; and the relationship of all such Improvements to the front, rear, and side property lines; (b) elevation drawings of the front, sides, and rear of any new structure included within the Improvements, together with all exterior color selections / schemes and building materials to be used; (c) a landscaping plan, including all driveways, sidewalks, and terraces; and (d) such other information as may be necessary or otherwise requested by the ARC.

6. **Approval of Plans.** The ARC will certify its approval or disapproval of the Plans in writing within thirty (30) days of the ARC's acknowledged receipt of the Plans, specifications, review fee, and/or other requested information and/or materials. In its sole and uncontrolled discretion, the ARC may grant or withhold its approval of the Plans. By the purchase of property in the Development Property, every Owner shall be conclusively presumed to have consented to the exercise of discretion by the ARC. The ARC's approval of Plans for any Improvement shall be effective for a period of six (6) months only; and if construction of the proposed Improvements shall not have commenced within that time period, the approval shall no longer be valid. In the event written approval is not received within thirty (30) days after the Plans, specifications, review fee, and all requested additional information have been submitted and acknowledged as received by the ARC, then the request for approval shall be deemed DENIED.

7. **Limited Effect of Plan Approval.** The approval by the ARC of an Owner's Plans for the construction of an Improvement is not intended to be an approval of the structural stability, integrity, or design of a completed Improvement, the safety of any component therein, or the compliance thereof with the regulatory requirements or any federal, state, or local law, regulation, or ordinance. This approval by the ARC is required solely for the purpose of insuring compliance with the covenants contained herein and further to insure the harmonious and orderly architectural and aesthetic development and improvement of the Development Property. Notice is hereby given to any future Owner and/or occupant of any completed Improvement and all invitees and other persons who may from time to time enter or go on or about such completed Improvement that no permission or approval granted by the ARC, the Declarant, or the Association with respect to the construction of any Improvement pursuant to this Declaration shall constitute or be construed as an approval of the structural stability, integrity, or design of a completed Improvement, the safety of any component therein or the compliance thereof with the regulatory requirements or any federal, state, or local law, regulation, or ordinance. As such, no liability shall accrue to the Declarant, the ARC, or to the Association in the event that any such construction shall subsequently prove to be defective or not in compliance with such requirements.

Article X

IMPROVEMENT RESTRICTIONS

1. **General.** The construction or installation of Improvements upon Development Property shall comply with Notes on any Plat, as may be amended from time to time; shall comply with all requirements set forth on the overall development plan for the Development

Property, if any and as may be amended from time to time; and shall comply with all other applicable laws, ordinances, and regulations of governmental agencies (federal, state and local). 2. **Lot Combination and Re-subdivision.** If one or more contiguous Lots are owned by the same Owner, they may be combined subject to compliance with applicable subdivision laws and regulations upon consent of Declarant during the Appointment Period and thereafter the Board for the purpose of placing approved Improvements thereon. Once combined, however, they shall retain their status as individual Lots for purposes of Voting and Assessments. No Lot shall be re-subdivided in order to create additional building sites except by Declarant, unless such re-subdivision is first approved by the applicable governing authority and the Board. Declarant shall have the right, but not the obligation, to re-subdivide Lots by recorded plat or in any other lawful manner, and such lots, as re-platted, shall be subject to this Declaration as if such Lots were originally included herein as Lots. Any such re-plat must comply with pertinent re-platting ordinances, statutes, regulations, and requirements.

7. **Driveways and Sidewalks.** The ARC shall approve the location, construction, design, and types of materials for all driveways and sidewalks. Except as otherwise approved by the ARC, all driveways shall be finished with a hard surface of an approved material that is compatible with the Improvements located on the Lot and the overall Development Property. At the time of the construction of the dwelling, every Owner shall be responsible for the installation of the portions of the sidewalk across the Owner's Lot. In the event the dwelling is not constructed on the Lot, the Owner shall install the sidewalk by the earlier of twelve (12) months following the conveyance of the Lot or thirty (30) days after the installation of the final topping of asphalt on the street fronting such Lot. In the event the Owner fails to timely install the sidewalk as provided in this Paragraph, the Association may cause the sidewalk to be installed, and the

cost thereof shall be a lien against the Lot to secure the repayment of such amounts. Such lien may be enforced in the same manner and with the same priority that the lien for Assessments may be enforced.

8. **Curb Cuts and Damage.** Any Owner or Builder who makes a curb cut or damages any Common Area shall be responsible for repairing same at his sole expense and at the direction and to the satisfaction of Declarant during the Appointment Period and thereafter the Board. No fence, wall, or hedge shall be allowed in any drainage easements that may exist on a Lot. No fence, wall or hedge shall be more than six (6) feet in height, unless otherwise approved. Concrete, wood, chain link, and wire fences are specifically prohibited.

10. **Yards.** Lots are to be landscaped and maintained in an attractive manner that is compatible with neighboring Lots and respectful of views and privacy of adjacent Owners. Flowers, hedges, shrubs, trees, and other vegetation may be planted without ARC approval; however, Owners shall replace in a diligent manner any vegetation on their Lot that should die.

11. **Grading and Drainage.** No Owner shall excavate earth from any Lot for any business purpose, except for the construction of the approved Improvements thereon, and no elevation changes will be permitted that could materially affect the surface grade of the Lot without the consent of the ARC, which must also approve the nature, manner, and methods of the earthwork. Drainage of each Lot shall conform to the general drainage plans for the Development Property. No storm water drain, roof down-spout, or ground water shall be introduced into the sanitary sewage system.

14. **View Impairment.** Neither Declarant nor the Association guarantee or represent that any view over and across the Lots, or any open space or Common Area within the Development Property will be preserved without impairment. Neither the Declarant, the ARC, nor the Association shall have any obligation to relocate, prune, or thin trees or perform other landscaping. The Association (with respect to any Common Area) will have the right to add trees and other landscaping from time to time, subject to applicable law. There shall be no express or implied easements for view purposes or for the passage of light and air.

15. **Compliance and Penalty.** Failure to comply with any provision of this Article, Declarant during the Appointment Period and thereafter the Board may take such action as necessary to achieve compliance therewith, including, without limitation, assessment of fines or corrective action to bring such violation into compliance. The Owner shall, upon demand, immediately pay the fine and/or reimburse Declarant or other performing party for all costs incurred, including reasonable attorney's fees. Declarant and thereafter the Association shall have a lien on the Lot and Improvements thereon to secure payment of fines and/or reimbursement for such costs. Such lien may be enforced in the same manner and with the same priority as a lien for Assessments.

Article XI
USE RESTRICTIONS

1. **General.** The following use restrictions apply to all Lots and Improvements constructed thereon within the Development Property.

2. **Residential Use.** No Lot shall be used for any purpose other than private, single family residential purposes and purposes incidental and necessary thereto. Short-term renting shall not be deemed as a residential purpose and is therefore strictly prohibited. The foregoing restriction shall not, however, be construed in such a manner as to prohibit an Owner from: (a) keeping his personal business or professional records or accounts; or (b) handling his personal business or professional calls or correspondence from his Lot. Such uses are expressly declared customarily incidental to the principal residential use and not in violation of said restriction. Home businesses which are expressly prohibited by statute or municipal code are also expressly prohibited under this Declaration. Further, the foregoing restriction shall not preclude real estate sales offices and construction trailers from being maintained on Lots by or on behalf of Declarant for purposes of construction, development, and sale of same.

3. **Occupancy Permit.** No dwelling upon any Lot may be occupied prior to the issuance of a final use and occupancy permit related to same by the applicable governing authority and approval of the ARC.

4. **Lease.** No dwelling, or interest therein, shall be leased by an Owner except by a written lease. No lease shall be for a term of less than one (1) month. Short term rentals of any portion of a dwelling upon any Lot for less than one (1) month shall be strictly prohibited in all circumstances, including but not limited to, renting through Airbnb, HomeAway, VRBO, and other short term rental websites. No Owner may lease less than the whole of a dwelling; and no Owner shall be permitted to lease more than one dwelling within the Development Property at any given time. The Lessee under such lease shall be bound by and subject to all of the terms, conditions, restrictions, rights, and obligations of this Declaration and the Governing Documents, which shall be expressly provided in the lease. Upon request by the Board, the Owner of a Lot shall deliver to the Board within ten (10) days a copy of the lease for the Lot. Failure to comply with this Declaration shall be a default under such lease. The Association or its Managing Agent shall be entitled to establish and maintain a Lease Registration Program and to change fees for the operation of same. This restriction shall not be deemed to prohibit Mortgagee who takes title to a Lot pursuant to the terms of its security instrument from leasing same for a limited time until the Mortgagee can find a buyer for the Lot.

5. **Yards and Landscaping.** Lawns shall be maintained in a neat and orderly fashion so that the grass does not become overgrown. In the event an Owner fails to maintain his lawn as provided in this Paragraph after five (5) days written notice to do so, the Board shall have the right to complete the lawn maintenance and the cost thereof shall be a lien against the Lot to secure the repayment of such amounts. Such lien may be enforced in the same manner and

with the same priority that the lien for Assessments may be enforced. Yard art and water features shall not be permitted in the front yard or otherwise visible from any street.

6. **Clotheslines and Lighting.** No clotheslines, clothes hanging devices, or the like upon any Lot shall be permitted. Outside lights at eaves and door entrances, flood lights, and spot lights shall be permitted; provided, however, these lights must be adjusted so that the rays of any beam or floodlight shall not interfere with neighboring Lots. Exterior flashing lights or spot/flood lights on the exterior that shine on or into adjacent Lots shall be prohibited. Any walkway, driveway, or landscape lighting shall be of low intensity. Seasonal decorative lighting shall be permitted only during the holiday season. Any lighting inconsistent with these restriction must be approved by Declarant during Appointment Period and thereafter the Board.

7. **Screening of Mechanical and Storage Areas.** Excepting the initial construction period, any and all equipment, air conditioner condensers, garbage cans, woodpiles, or storage piles on any Lot, whether temporary or permanent, shall be screened to conceal same from the view of neighboring Lots, streets, or Common Area with the Plans for any screening, fences, and/or landscaping being approved by the ARC.

8. **Outside Recreation Equipment.** All playground and recreational equipment (e.g. swings, slides, trampolines, playhouses, basketball hoops / backboards) must be used, erected, placed, or maintained to the rear of the Lot and adequately screened from view from the street. The Board shall have the authority to govern the location, any required screening, materials, and types of various recreational equipment.

9. **Antennae and Flags.** No transmitting or receiving equipment (antennas, dishes, etc.) in excess of eighteen (18) inches in diameter (or such larger size as shall be expressly authorized by the regulations of the Federal Communications Commission) for radio, television, or communications may be located on the exterior of any Improvement or on the Lot without the approval of the ARC as to location and screening, if necessary. In no event, may such equipment be in the front of any Lot or be visible from the roads. No flag poles or flag mounting structure or devise may be located on a Lot without the approval of the ARC as to location and size.

10. **Temporary Structures.** No trailer, camper, garage, tent, shack, barn, shed, carport, or other outbuilding shall be erected, moved onto, stored or used on any Lot as a residence, temporarily or permanently, nor shall any residence of a temporary character be permitted. Any detached structure must be located in the rear yard and approved by the ARC.

11. **Detention Pond.** Any detention pond or detention area, which encroaches on or lies wholly or partially within any Lot shall not be filled, disturbed, or altered in any way by the Owner. The visible areas of these detention ponds or detention areas will be maintained and mowed within the boundaries of same as shown on the Plat. A perpetual easement is reserved to Declarant or any successor, assignee, or appointee of Declarant and/or the Board across any Lot to repair or maintain such areas.

12. **Garage / Yard Sales.** Garage sales or any other similar private or public sale of goods, personal property, or services shall not be allowed except for Association sponsored sales to be authorized by the Board and held only on specified days and at specified times on a community wide basis and in accordance with any Rules and Regulations to be established by the Board in connection therewith.

13. **Garbage Disposal.** Trash, garbage, or other waste shall be kept in sanitary containers and shall be disposed of in a clean and sanitary manner. All equipment for storage or disposal of such materials shall be kept in a clean, orderly, and sanitary condition and shall be kept inside the garage or other designated area serving each Lot. No garbage cans, trash containers, recycling containers, nor any other such trash receptacles shall be permitted in public view except for a twenty-four (24) hour period surrounding the designated date and time for trash pickup as set by the provider of said services.

14. **Vehicle Storage.** No mobile home, bus, camper, boat, trailer, truck, or vehicles having a load capacity in excess of one ton may be parked or stored on any street or in public view on or within the residential areas of the Development Property, except for vehicles and equipment necessary for and being used in the development, construction, repair, or service of same. No commercial trucks, vans, or trailers shall be parked in the streets other than during active service calls to Lots within the Development Property.

15. **Vehicle Service.** Junk vehicles, inoperable vehicles, unlicensed vehicles not for immediate use, or vehicles of any kind in disrepair, may not be kept or parked on any street or in public view within the Development Property. Vehicles may not be assembled or serviced unless completely hidden from public view. For purposes of this Paragraph, "serviced" shall not be deemed to include the cleaning, washing, or polishing of a vehicle; the changing of oil, lubricants, anti-freeze, or other fluids; nor the replacing of air, oil, or other filters used in the vehicle ("Routine Care Items"). Any repairs or other work on a vehicle beyond the scope of the Routine Care Items must be performed in the garage and completely hidden from public view.

16. **Parking and Entertainment.** All Owners shall park their vehicles first, to the extent possible, in the garage for that Lot, if applicable and then in the driveway. Owners shall take all steps necessary to keep garage doors closed except for such limited and reasonable periods of time which may be necessary for access and/or repair. Vehicles may not be parked on grass or yard areas, except when entertaining. No Owner shall permit any vehicle (operable or inoperable) owned by such Owner or by any person occupying his Improvements or by any guest or invitee of such Owner to remain parked on any street within the residential areas of the Development Property for a period of more than seventy-two (72) consecutive hours. Any vehicle which remains parked on the street in violation of the foregoing covenant, or in violation of any other rules and regulations now or hereafter adopted by the Board, may be towed at the expense of the owner of such vehicle or the Owner of the Lot visited by such vehicle owner. Neither the Declarant, the Association, nor the Board shall be liable to the owner of such vehicle for trespass, conversion, or otherwise, nor be guilty of any criminal act by reason of such towing. Neither the removal nor the failure of the owner of such vehicle to receive any notice of said violation shall be grounds for relief of any kind. The term "vehicle" as used herein shall include,

without limitation, golf carts, motorhomes, buses, watercraft, trailers, motorcycles, scooters, trucks, all-terrain vehicles, campers, and automobiles.

17. **Livestock, Poultry, and Pets.** No animals, livestock or poultry of any kind shall be raised, bred or kept on any Lot, except that dogs, cats or other household pets may be kept, provided they are not kept, bred, or maintained for commercial purposes. At all times, when such household pet is not confined on the Lot of its owner, said pet shall be leashed or otherwise under the immediate control of the Person(s) with it. It is the responsibility of the pet owner to clean and dispose of any waste produced by the pet anywhere other than on the Lot of its owner.

18. **Codes.** Each Owner shall observe all governmental building codes, health restrictions, zoning restrictions, and other regulations applicable to his Lot. In the event of any conflict between any provision of such code, regulation, or restriction and any provision of this Declaration, the more restrictive provision shall apply.

19. **Signs.** The following restrictions shall apply to signs: (a) Declarant shall have the right to erect and to approve the erection of reasonable and appropriate signs for its own use and the use of Builders and other parties engaged in the construction and sale of Improvements within the Development Property; (b) Declarant shall have the right to remove any unapproved sign, billboard, poster, or advertising device that is placed on any Lot or Improvement thereon and in doing so shall not be subject to any liability for trespass or other course of action in connection therewith or arising from such removal; (c) no sign, billboard or poster of any kind of a permanent nature shall be erected, exhibited, maintained, or placed upon any Lot; (d) temporary signs, not to exceed a maximum surface area of six (6) square feet, such as "For Sale" signs, shall be permitted so long as there are no more than two (2) signs per Lot, and no such sign shall be placed outside the boundary of the Lot, within any right-of-way, Common Area, or Lot owned by another Person; (e) all signs shall comply with regulations that may be adopted by the Board from time to time; and (f) all Owners grant to Declarant and thereafter to the Board the right to remove all signs not in compliance with the sign restrictions and in doing so shall not be subject to any liability or criminal action for trespass, destruction of property, or other tort in connection therewith or arising from such removal.

20. **Hazardous Activities.** No activities may be conducted on or within the Development Property or Lot and no Improvements may be constructed on or within any portion of the Development Property or Lot, which, in the opinion of the Board, are or might be unsafe or hazardous to any Person or property. Without limiting the generality of the foregoing, no firearms or fireworks may be discharged upon any portion of the Development Property unless discharged in conjunction with an event approved in advance by the Board, and no open fires may be lighted or permitted except within safe and well-designed fireplaces or in contained barbecue units. No portion of the Development Property may be used for the takeoff, storage, or landing of passenger aircraft (including, without limitation, helicopters) except for medical emergencies.

21. **Noise.** No Owner shall cause or allow any use of his Lot that results in noise which disturbs the peace and quiet of the Development Property. This restriction includes, without

limitation, dogs whose loud and frequent barking, whining, or howling disturbs other Owners, exterior music systems, public address systems, or other noise sources which disturb other Owners' ability to peacefully possess and enjoy their Lot.

22. **Nuisances.** Each Owner shall refrain from any act or use of his Lot that could reasonably cause discomfort, annoyance, or nuisance to the neighboring Lots. No noxious, offensive, or illegal activity shall be carried out upon any Lot.

23. **Additional Prohibited Activities.** The Board may from time to time reasonably prohibit certain activities on or within the Development Property and such prohibition shall be final and binding on all Owners.

24. **Compliance and Penalty.** Failure to comply with any provision of this Article, Declarant during the Appointment Period and thereafter the Board may take such action as necessary to achieve compliance therewith, including, without limitation, assessment of fines or corrective action to bring such violation into compliance. The Owner shall, upon demand, immediately pay the fine and/or reimburse Declarant or other performing party for all costs incurred, including reasonable attorney's fees. Declarant and thereafter the Association shall have a lien on the Lot and Improvements thereon to secure payment of fines and/or reimbursement for such costs. Such lien may be enforced in the same manner and with the same priority as a lien for Assessments.

Article XII **MORTGAGEE PROVISIONS**

1. **General.** In addition to any other rights granted to Mortgagees elsewhere in this Declaration, the rights and protections of this Article are hereby granted to and for the benefit of any Mortgagee.

2. **Actions Requiring Mortgagee Approval.** Without the prior written consent of at least fifty-one percent (51%) of all recorded first Mortgagees of Lots or the beneficiaries thereunder of record (based upon one vote for each Lot upon which a Mortgage is owed), who have requested such notice, the Association shall not be entitled by act or omission to seek to abandon or terminate the restrictions declared herein; provided, however, approval of such action shall be implied against any eligible Mortgagee in the event such Mortgagee fails to submit a response in writing to the Association within sixty (60) days of service of such notice by certified or registered mail, return receipt requested, to said Mortgagee at the address listed in the records of the Association.

3. **Records Examination.** Mortgagees shall have the right to examine the books, records, and financial statements of the Association, as well as this Declaration and the Governing Documents at reasonable times and upon reasonable notice.

4. **Insurance Policy.** Mortgagees shall have the right, upon written request, to receive notice from the Association of any lapse, cancellation, or material modification of any insurance policy maintained by the Association.

8. **Mortgagee Notice to Board.** Mortgagees shall request notice of the matters set forth herein by making written request to the Board upon becoming a Mortgagee hereunder and requesting that the name and address of such Mortgagee and the Lot so encumbered be identified by the Board in the records for the Association. Any notice requesting approval of any Mortgagee as required herein shall advise said Mortgagee that failure to respond within sixty (60) days of said notice shall be deemed to be approval by said Mortgagee of the matter for which approval is being sought.

9. **Disposition by Mortgagee.** Any Mortgagee who obtains title to a Lot pursuant to remedies provided in the Mortgage or deed of trust, or upon foreclosure of the mortgage or deed of trust, or upon receiving a deed (or assignment) in lieu of foreclosure, shall take the Lot free of any claims for unpaid Assessments and charges against the mortgaged Lot, which accrue prior to the time such holder comes into possession of same. Specifically, and without limitation, the provisions of this Declaration, Supplemental Declarations, or the Governing Documents shall not impair the rights of any Mortgagee to: (a) foreclose or take title to a Lot pursuant to remedies provided in the Mortgage; (b) accept a deed (or assignment) in lieu of foreclosure in the event of default by a mortgagor; or (c) sell a Lot acquired by the Mortgagee.

or applicable law. However, any such change, modification, or amendment that would change or delete any right, remedy, benefit, or privilege afforded to the Declarant under this Declaration shall require the verified written consent of the Declarant upon such instrument in order to be effective. Unless a higher percentage is required by law, revocation of this Declaration shall require the affirmative Vote of not less than sixty-seven percent (67%) of the all the Members of the Association entitled to Vote at a duly called meeting of the Association or the affirmative written consent of such percentage of the Members at which a quorum is present. Any such change, modification, amendment, or revocation shall not become effective until the instrument evidencing such change has been recorded in the Register's Office for Wilson County, Tennessee.

2. **Declarant.** The Declarant hereby reserves and shall have the right, power, privilege, and authority, in its sole discretion, to amend this Declaration and any Exhibit hereto without the consent, joinder, or approval of the Association, the Board, Owner, any Person having a contractual right to purchase a Lot, any Mortgagee or beneficiary of any Mortgage or deed of trust on any Lot or any other Person. Such right, power, privilege, and authority of Declarant shall expire two (2) years after the termination of the Appointment Period. Declarant shall be in no way obligated to amend this Declaration or any Exhibit hereto pursuant to this Paragraph.

6. **Right to Mortgage Information.** Each Owner hereby authorizes any Mortgagee holding a Mortgage on such Owner's Lot to furnish information to the Board concerning the status of such Mortgage and the loan which it secures, to the extent such information is appropriate to assist the Board in determining if such loan is a valid first Mortgage or secondary purchase money Mortgage.

MEETINGS OF MEMBERS**

1. **Annual Meetings.** The first regular annual meeting of the Members may be held, subject to the terms hereof on any day, at the option of the Board; provided, however, that the first meeting may

(if necessary to comply with Federal Regulations) be held no later than the earlier of the following events:
(a) four (4) months after all the Lots within the Development Property have been sold by the Declarant or
(b) five (5) years following conveyance of the first Lot within the Development Property by the Declarant.
Each subsequent regular annual meeting of the Members shall be held within twenty-five (25) days of the anniversary of the first regular annual meeting each year thereafter at such time as set by the Board.

2. **Special Meeting.** Following the Appointment Period, special meetings of the Members, for any purpose or purposes, may be called by the president, a majority of the Board, or by Members having not less than sixty-seven percent (67%) of the total Vote entitled to be cast at such meeting, except as otherwise required by Tennessee statute, the Declaration, or these By-Laws. Business transacted at all special meetings shall be confined to the business stated in the notice of such meeting. During the Appointment Period, special meetings of the Members, for any purpose or purposes, may only be called by the Declarant.

3. **Place and Time of Meetings.** Meetings of the Members of the Association may be held at a place and at such time to be determined by the Board within Wilson County, Tennessee as specified in the written notice of such meeting. Meetings may be held electronically / virtually.

4. **Notice.** At the direction of Declarant, president, secretary, or other officer or Person authorized to call the meeting, written notice shall be sent to every Member of the Association entitled to Vote at such meeting by prepaid U.S. Mail, FedEx, UPS, or other reputable private carrier, or facsimile or electronic transmission to the address or other contact information provided to the Board by the Owner or in the event no separate address or other contact information has been provided, then by prepaid U.S. Mail or hand delivery to the Owner's Lot not less than ten (10) nor more than sixty (60) days prior to the date of such meeting. Said notice shall state the place, day, and hour of the meeting and in the case of a special meeting, the purpose(s) for which the meeting is called.

5. **Quorum.** The presence in person or by proxy of at least thirty-five percent (35%) of the Votes entitled to be cast at a meeting of the Members shall constitute a quorum at all meetings of the Members for the transaction of business. If, however, the Members entitled to Vote in person or represented by proxy present at a meeting fail to satisfy a quorum, the Members present shall have the power to adjourn the meeting, without notice other than announcement at the meeting, until a quorum shall be present or represented. Further, if a quorum is not present, a subsequent meeting may be called, and the required quorum shall be reduced by ten percent (10%) at such meeting. Such procedure may be repeated until a quorum is established, although in no event may the required quorum be less than fifteen percent (15%) of the Votes entitled to be cast at a meeting of the Members.

6. **Majority Vote; Withdrawal of Quorum.** When a quorum is present at any meeting, the majority Vote of Members present, in person or by proxy, and entitled to Vote shall decide any question brought before such meeting, unless the question is one upon which by express provision of an applicable Tennessee statute, the Declaration, or these By-Laws, a different Vote is required, in which case such express provision shall govern and control the decision of such question. The Members present at a duly organized meeting may continue to transact business until adjournment, notwithstanding withdrawal of enough Members to leave less than a quorum.

7. **Method of Voting; Proxies.** Each Member shall be entitled to cast one (1) Vote each Lot owned by such Member as further provided in the Declaration. The Vote of each Member may only be cast by such Member or by a proxy duly executed and given by such Member to his authorized representative as set forth on such proxy. No proxy shall be valid for more than one meeting and shall bear the signature of the Member making the proxy, the date of the meeting to which the proxy relates, and the name of the authorized representative to Vote on behalf of the Member. Such proxy may not be revoked except by actual notice to the Person presiding over the meeting for which the proxy relates; and such proxy is void, if it is not dated or purports to be revocable without notice. Such proxy shall be filed with the secretary prior to or at the time of the meeting. If title to any property ownership interest in a Lot of the Development Property entitling the Member to Voting rights as provided in the Declaration is in the name of two or more Persons as co-owners, all such Persons shall be Members of the Association, referred to herein as a "Joint Member." Any such Joint Member is entitled to one unanimous Vote per entitled Member as provided in the Declaration at any meeting of the Members of the Association, and such Vote shall be binding upon the Joint Member until written notice to the contrary has been received by the Board identifying the authorized manner in which the Joint Member's unanimous Vote is to be cast (in person or by proxy). In the event of disagreement among such Joint Member to cast a Vote, such Joint Member shall not be recognized, and such Vote shall not be counted. Votes may be cast by electronic ballot.

8. **Assessment Default.** No Owner who is in default in the payment of any Assessment or other duly levied charge shall be entitled to exercise his right to Vote until he has cured such default. An Owner may protest the amount of any Assessment or other duly levied charge, but it still must be paid during the pendency of his protest to the Association or its agent.

9. **Action Taken Without a Meeting.** The Members shall have the right to take any action in the absence of a meeting which they could take at a meeting by obtaining the written consent of the number of members which would otherwise be required to approve such action. For instance, if an action required the approval of Members holding a majority of the total Voting rights of the members, then a writing signed by Members holding a majority of the total Voting rights of the Members would be effective as if such approval was given at a meeting duly called for such purpose. Any action so approved shall have the same effect as though taken at a properly called meeting of the Members.

Article V

BOARD OF DIRECTORS

1. **Board Authority and Number.** The affairs of the Association shall be managed by a Board of Directors. During the Appointment Period, the members of the Board, who need not be Members of the Association, shall be appointed by the Declarant and shall serve at the pleasure of the Declarant. After the Appointment Period, the Board shall consist of no fewer than three (3) nor more than seven (7) directors each of whom must be a member of the Association or be the Declarant, its assignee or officer, agent, or representative thereof.

2. **Election.** After the Appointment Period, the election of the members of the Board to be elected for a particular year shall occur at the annual meeting of the Members. The election of the Board by the Owners shall be based on the number of Persons receiving the highest number of Votes for as

many candidates as there are Directors being elected at a meeting of the Owners at which a quorum is present. Cumulative Voting is not permitted.

3. **Nomination.** Nomination for election to the Board shall be made by a Nominating Committee. Nomination may also be made from the floor at the annual meeting. The Nominating Committee shall consist of a Chairman who shall be a member of the Board and two or more Members of the Association. The Nominating Committee shall be appointed by the Board prior to each annual meeting of the Members to serve from the close of such annual meeting until the close of the next annual meeting, and such appointment shall be announced at each annual meeting. The Nominating Committee shall make as many nominations for election to the Board as it shall in its discretion determine, but not less than the number of vacancies that are to be filled.

4. **Term of Office.** Directors shall be elected for terms of two (2) years or until their successor is elected. Provided, however, the initial Directors elected by the Members after the Appointment Period shall be grouped into two (2) separate classes so that approximately one-half of total number of initially elected Directors are up for re-election each year. Thus, as to such initial Directors elected by the Members, the one-half of the Directors (or the minority if there is an odd number of Directors) receiving the fewest number of Votes will serve a one (1) year term, and the other one-half of the Directors (or the majority if there is an odd number of Directors) receiving the highest number of Votes will serve for a two (2) year term.

5. **Vacancies.** If any vacancy occurs in the Board, caused by death, removal from office, retirement, resignation or disqualification, a successor(s) shall be elected by majority vote of the remaining Directors for the unexpired term of his predecessor in office. Any Director who ceases to be a Member of the Association during such Director's term in office shall cease being a Director effective with such change, and such Director's successor shall be selected by the remaining Members of the Board.

6. **Director Removal by Board Members.** Any Director may be removed from office with or without cause by the majority vote of the Directors, who shall elect a successor Director for the unexpired term of his predecessor in office by majority vote.

7. **Director Removal by Members.** Notwithstanding any provision to the contrary in the Declaration or these By-Laws, any member of the Board other than a member appointed by the Declarant may be removed with or without cause by majority Vote of all the Members of the Association.

8. **Place of Meetings.** The Board shall hold their meetings, both regular and special, in Wilson County, Tennessee or such other location as may be selected by unanimous consent of the Directors then elected and serving. Regular meetings of the Board may be held without notice at such time and place as shall from time to time be determined by the Board. Special meetings of the Board may be called by the president or a majority of the Directors upon three (3) days written notice to each Director, either personally, by mail, by facsimile, or by other electronic transmittal. Except as may be otherwise expressly provided by Tennessee statute, the Declaration, or these By-Laws, neither the business to be transacted nor the purpose of any special meeting need be specified in a notice or waiver of notice. Meetings may be held electronically / virtually.

9. **Quorum.** At all meetings of the Board, the presence of a majority of the Directors shall be necessary and sufficient to constitute a quorum for the transaction of business. The act of a majority of the Directors present at any such meeting at which there is a quorum shall be the act of the Board. If a quorum shall not be present at any meeting of the Directors, the Directors present may adjourn the meeting by announcement at the meeting without notice until a quorum shall be present.

10. **Action Taken Without a Meeting.** The Directors shall have the right to take any action in the absence of a meeting which they could take at a meeting by obtaining the written approval of all the Directors. Any action so approved shall have the same effect as though taken at a meeting of the Directors.

11. **Compensation.** No Director shall receive compensation for any service he may render to the Association. However, any Director may be reimbursed for his actual expenses incurred in the performance of his duties.

12. **Agents and Delegation of Powers.** Except as otherwise prohibited by statute, the Declaration, or these By-Laws, the Board may delegate any of its powers to other Persons or Management Agent.
