- (b) The Unit Owners shall be the members of the Association, with each Unit Owner holding a membership interest therein appurtenant to such Unit, subject to the provisions concerning voting hereinafter set forth. A Unit Owner's membership shall automatically terminate when such Owner ceases to be a Unit Owner. Upon the conveyance or transfer of the ownership interest in a Unit to a new Unit Owner, the new Unit Owner shall simultaneously succeed to the former Unit Owner's membership in the Association.
- (c) In the event title to any Unit is conveyed to a land title-holding trust, under the terms of which all powers of management, operation, and control of the Unit remain vested in the trust beneficiary or beneficiaries, then the beneficiaries thereunder shall be considered Unit Owners for all purposes and they shall be responsible for payment of all obligations, liens or indebtedness and for the performance of all agreements, covenants and undertakings chargeable or created under this Declaration against such Unit. No claim shall be made against any such title-holding trustee personally for payment of any lien or obligation hereunder created, and the trustee shall not be obligated to sequester funds or trust property to apply in whole or in part against such lien or obligation. The amount of any such lien or obligation shall continue to be a charge or lien upon the Unit and the beneficiaries of such trust, notwithstanding any transfers of the beneficial interest of any such trust or any transfer of title to such Unit.
- (d) If a Unit Owner is a corporation or partnership, the member of the Association for such Unit may be an officer, partner or employee of such Unit Owner.
- (e) The voting rights in the Association shall be as set forth in the By-Laws, this Declaration, or any Supplemental Declaration.

The Board shall be elected and shall serve in accordance with the provisions of the By-Laws. The fiscal year of the Association shall be determined by the Board, and may be changed from time to time as the Board deems advisable.

6. **Board's Determination Binding.** In the event of any dispute or disagreement between any Unit Owners relating to the Project, or any questions of interpretation or application of the provisions of this Declaration or the By-Laws, the determination thereof by the Board shall be final and binding on each and all such Unit Owners.

7. **Ownership and Use of the Common Elements.**

(a) Ownership of the Common Elements shall be and hereby is vested in and transferred to the Association.

(b) Each Unit Owner shall have the right to the exclusive use and possession of the Private Elements and Limited Common Elements appurtenant to such Unit. It is expressly acknowledged that the Workforce Housing Parking Spaces are a Limited Common Element benefiting the Workforce Housing Unit, and no other Unit Owner shall have access to or the right to use any of the Workforce Housing Parking Spaces.

(c) Subject to the By-Laws and the Rules and Regulations, each Unit Owner shall have the right to use the General Common Elements in common with all other Unit Owners, as may be required for the purposes of access, ingress to, egress from, use, occupancy and enjoyment of the respective Unit owned by such Unit Owner. Such right to use the General Common Elements shall extend not only to each Unit Owner, but also to the agents, servants, tenants, family members, customers, invitees, and licenses of such Unit Owner. Each Unit Owner's right of enjoyment in the General Common Elements shall be subject to:

(i) The right of the Association, as provided in the By-Laws or the Rules and Regulations, to suspend the enjoyment rights of any Unit Owner with respect to the General Common Elements for any period during which any Assessment owed by such Unit Owner remains unpaid and past due, and for such period as the Board considers appropriate for any infraction of the Rules and Regulations.

(ii) The right of the Association to diminish in any way or to dedicate or transfer all or any part of the General Common Elements to any public agency or authority for such purposes and subject to such conditions as may be agreed to by a Majority of the Unit Owners.

(iii) The right of the Association to grant such easements and rights-of-way to such utility companies or public agencies or authorities as it shall deem necessary for the proper servicing and maintenance of the Project.

8. **Allocated Interests and Common Expenses.**

(a) The undivided interest in the Common Elements, Common Expense liability and votes in the Association are allocated to each Unit as set forth in Exhibit D attached hereto. Except as specifically provided otherwise herein, each Unit Owner shall pay their share of Common Expenses in accordance with the pro rata share allocated

to such Unit as shown on Exhibit D, with such pro rata share based upon the approximate square footage contained within each Unit. Assessments for Common Expenses shall be in such amounts and at such times as determined in the manner provided in the By-Laws. No Unit Owner shall be exempt from payment of Assessments for Common Expenses by waiver or non-use of enjoyment of the Common Elements, or by abandonment of such Owner's Unit.

- (b) Each Owner, by acceptance of his or her Deed, is deemed to covenant and agree to pay all Assessments levied by the Association pursuant to this Declaration, whether or not such obligation is so expressed in such Deed. A budget for the first year of the Association, including contemplated General Assessments and special assessments (as described below) and a breakdown thereof shall be developed prior to the first sale of a Unit to an Owner. Each Unit shall be subject to the Assessments set forth in the initial budget or subsequently adopted annual budget (as provided in the By-Laws) when conveyed to a party other than Declarant, with Assessments being prorated as of the date of closing of the sale of the Unit. Notwithstanding any other provision of this Declaration, no Assessments shall be levied against Units owned by the Declarant, its successors or assigns.
- (c) Except as provided in this Section 8(c), the Declarant shall not be required to advance from its own funds any sums of money for maintenance, improvements, payment of Assessments or any other Common Expenses. Notwithstanding the foregoing, during the Declarant Control Period, with regard to any Private Elements upon which a Unit is proposed but not constructed or is being constructed or any Unit that has been completed and to which title has not been conveyed by Declarant (the "**Declarant Owned Units**"), the total aggregate assessment due with respect to all Declarant Owned Units shall be limited to the amount (the "**Shortfall**") by which (a) the aggregate amount of actual operating expenses from time to time required to be paid with respect to the Project exceeds (b) the amounts required to be paid by the Unit Owners other than Declarant for said actual operating expenses. For purposes of the foregoing calculation, in the event Declarant enters into a lease or installment contract for any Unit, then Declarant shall, as of the first day of occupancy under such lease or contract, be responsible for the payment of assessments on those Units on the same basis as any other Unit Owner as provided in this Declaration and, consequently, said Unit shall no longer be deemed to be a Declarant Owned Unit hereunder. Actual operating expenses shall mean those ordinary expenses attributable only to the period in question covering the maintenance and operation of the Project and shall not include capital expenditures, amounts set aside as a reserve for contingencies or replacements, prepaid items or inventory items to the extent attributable to subsequent periods. The foregoing amounts owed by Declarant for the Declarant Owned Units may be paid by Declarant on a monthly basis or, at its option, paid to the Association at the close of each calendar year without interest. It is expressly understood and agreed that in no event shall Declarant's total obligation under this Section 8(c) with respect to Declarant Owned Units ever exceed the amount of assessment due from each of the Unit Owners other than Declarant multiplied by the number of Declarant Owned Units from time to time.

9. **Special Assessments; Start Up Assessment.** In addition to the annual Assessments for Common Expenses authorized above, the Association may levy a special assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of capital improvements upon the Common Elements, including fixtures related thereto, or for any repairs or replacements incurred in accordance with Section 14(b) hereof.

Each Unit Owner who takes title to a Unit directly from Declarant shall pay to the Association at the closing of the purchase of such Unit a Start-up Assessment equal to the lesser of (a) two (2) months of the current monthly assessment pursuant to the initial budget or annual budget, as applicable, or (b) an amount established by the Board from time to time. This one time Start-up Assessment shall be in addition to and not a prepayment of the regular Assessments provided for above. All receipts for Start-up Assessments shall be applied to repayment of Loans, if any, and thereafter may be applied to the budget or to reserves.

10. **Separate Real Estate Taxes.** Real estate taxes shall be separately taxed to each Unit Owner for such Owner's Unit, its Private Elements and the Owner's corresponding membership interest in the Association, as provided in the Act. In the event that such taxes for any year are not separately taxed to each Unit, but rather are taxed on the Project as a whole, then such taxes shall be paid by the Unit Owner as a Special Assessment in accordance with a reasonable proration thereof determined by the Association.

11. **Insurance.**

- (a) The Association shall obtain liability insurance for the Common Elements in such amounts as the Board may determine, together with workmen's compensation insurance and other liability insurance as the Board may determine, insuring each Unit Owner, mortgagees of Record, if any, the Association, its officers, its Directors, the Board and the Declarant from liability. The Board shall retain in safekeeping the original of each such liability policy for six (6) years after the expiration date of the applicable policy.
- (b) If the Common Elements contain improvements, the Association shall carry property insurance thereon against loss or damage by fire, vandalism, malicious mischief and such other hazards as are covered under a Causes of Loss – Special Form policy or its equivalent, for the full replacement cost thereof, and against such other hazards and for such amounts as the Board may determine. Replacement cost shall be deemed the cost of restoring applicable portions of the Common Elements to substantially the same condition in which they existed prior to damage or destruction. Such insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to, the Association, as the trustee for the Unit Owners. The policy of property insurance should also contain, if possible, a waiver of subrogation rights by the insurer against the Unit Owners.
- (c) The Association shall carry fidelity coverage covering officers, Directors and employees who handle or are responsible for handling Association funds. Such

coverage shall be in such amounts as the Board may determine, but in no event less than one hundred fifty percent (150%) of the monthly operating expenses of the Association, and shall contain waivers of any defense based upon the exclusion of persons serving without compensation. The foregoing insurance shall not be required if there are no Association funds to be handled.

- (d) The Association shall have authority to and may obtain such other insurance insuring the Project or insuring Directors, officers of the Association, and members of any committee appointed pursuant to the By-Laws from liability arising from the fact that said person is or was Director or officer of the Association, or a member of such a committee. Such insurance shall be in such amounts, from such sources and in such forms as the Board may determine,
  - (e) Premiums for all insurance carried by the Association shall be deemed Common Expenses.
  - (f) Each Unit Owner shall be responsible for obtaining property insurance on such Owner's Unit (including the Unit's Private Elements) as well as any additions and improvements thereto. Each Unit Owner or Occupant, as applicable, shall be responsible for obtaining property insurance on the Unit Owner's or Occupant's Personal Property. In addition, in the event a Unit Owner desires to insure against personal liability, loss or damage beyond the extent that such liability, loss or damage would be covered by the insurance obtained by the Association as part of the Common Expenses, as above provided, said Unit Owner may, at such Owner's option and expense, obtain such additional insurance. The insurance provided by the Association shall be deemed primary with respect to matters occurring within the General Common Elements, and any additional insurance obtained by the Unit Owner shall be deemed supplemental. The insurance provided by the Unit Owner shall be deemed primary with respect to matters occurring within the Owner's Private Elements and the Limited Common Elements appurtenant to the Unit, and any additional insurance obtained by the Association shall be deemed supplemental.
12. **Certificate of Payment.** The Board shall, upon request, furnish to any person a certificate, signed by an officer of the Association, setting forth (a) whether or not all Assessments and any other charges with respect to a Unit have been paid; (b) the amount of the last Assessment; and (c) the amount of any sums that are past due. Such certificate shall be conclusive evidence of the payment of any amounts therein stated to have been paid; and except as set forth in the certificate, no other amounts are then due and payable.
13. **Damage and Reconstruction.**
- (a) In the event of damage to or destruction of any of the Common Elements as a result of fire or other casualty covered by property insurance carried by the Association, the Board shall, in its sole and absolute discretion, determine and without intervention of any Unit Owner, arrange for the prompt repair and restoration of the damaged portions of the General Common Elements to substantially the same

condition in which they existed prior to damage or destruction. Where the insurance proceeds are insufficient to cover the cost of such repairs and restoration to the General Common Elements, the deficit shall be a Common Expense. If the damage is to Limited Common Elements, the insurance proceeds shall be released to the Owners of the Units to which such Limited Common Elements are appurtenant, who shall thereafter be responsible for the repair and restoration of the same and funding any deficit if the insurance proceeds are not sufficient to complete such repair and restoration.

- (b) In the event of casualty or loss, the Association shall not be responsible for the repair, replacement or restoration of any Unit (or any Private Element that is a part of such Unit), and each Unit Owner shall be responsible for obtaining property and liability insurance coverage on the Owner's Unit (including Private Elements), including any additions and improvements thereto.
- (c) Each Unit Owner and Occupant shall be responsible for insuring its Personal Property, and in no event shall the Association be responsible for any damage thereto.

14. **Maintenance, Repairs and Replacements.**

- (a) Subject to the provisions of Sections 14(b)–14(g), each Unit Owner, at the Owner's expense, shall furnish and be responsible for all maintenance of, repairs to and replacements within and to (i) the Unit (including all Private Elements); and (ii) the Limited Common Elements appurtenant to the Unit in such condition, repair, confirmation and layout as at the date of original construction and in conformity applicable governmental regulations, codes and ordinances.
- (b) The Association shall provide for the maintenance, care, repair, and replacement of the following portions of the Units: the exterior landscaping (except such landscaping installed by, or on behalf of, the Unit Owner and such landscaping enclosed by a fence, if any), walkways, stairs, railings and porches located upon or about each Unit. The Association also shall maintain the exterior of each Unit as follows: painting, maintenance, and nonstructural repair of exterior building surfaces as the Board shall deem necessary and proper, including roofs, gutters, downspouts, exterior building surfaces, trees, shrubs, grass, walks, replacement of trim, caulking and other repairs to roof covers (to include the repair and replacement of all non-structural components of the roof of each Unit), and other miscellaneous repairs of a nonstructural nature. Such exterior maintenance shall not include glass surfaces (weather windows or sliding glass doors), air conditioning, heating or other HVAC equipment, storm doors, front or rear entry doors, garage doors, fences, screens, or patio covers. The balance of the improvements located on the respective Units shall be maintained by the Owner of the particular Unit involved. For the sole purpose of performing the exterior maintenance upon each Unit required by this Section 14(b), the duly authorized employees or agents of the Association shall have the right, after reasonable notice to the Owner, to enter upon any Unit and into any Unit at reasonable hours of any day. The Association shall

not bear responsibility for any structural repairs or replacements to the exterior of building surfaces, including, without limitation, roofs, it being expressly understood that the structural repairs and replacements to exterior building surfaces, including, without limitation, roofs, shall be the responsibility of the Unit Owner pursuant to Section 14(a).

- (c) Notwithstanding the foregoing, if the need for exterior maintenance and repair of Units by the Association as required by this section is caused by the willful or grossly negligent conduct or act of an Owner, his/her family, guest, invitees, or other Persons using or occupying his/her Unit with his/her express or implied permission, the cost of such repair or maintenance may be assessed against such Owner as a special assessment of this Declaration upon a finding by the Board, which shall be due and payable thirty (30) days from the date of notice thereof, such assessment to be collected and enforced as provided in this Declaration. Such special assessment shall not require the approval of any of the Unit Owners; provided, however, that any Owner against which any such assessment is levied shall be entitled to notice, a hearing at a time and place set by the Board in its sole discretion, and an opportunity to do the corrective work required (provided that the work is performed by a competent contractor mutually agreeable to both parties and in a manner and quality agreed to by the Board), prior to a special assessment being levied against such Owner in accordance with the provisions of this subsection.
- (d) The Association shall be responsible for all maintenance of, repairs to and replacements within and to the General Common Elements. Without limiting the foregoing, the Association shall provide for the maintenance of all private roadways, alleys, exterior parking areas (including the Workforce Housing Parking Spaces) and drives that are in the Project and reflected on the Plat, and shall provide for the maintenance of the following utility facilities (whether within General Common Elements or Limited Common Elements): (i) any and all utility service lines that are not within a Unit; (ii) all water and sanitary sewer service lines extending from the main to the Unit; and (iii) the storm water facilities installed for the Project by the Declarant, including, without limitation, underground storm water vaults, pipes, inlets, but excluding any gutters and downspouts exclusively applicable to a Unit.
- (e) Notwithstanding anything to the contrary contained in this Declaration, the Association shall not be responsible for the maintenance, improvement, repair or replacement of any air conditioning condensers or any other heating or cooling related equipment serving exclusively a single Unit.
- (f) The Association shall maintain and provide for common garbage collection areas and facilities at the Project, and may prescribe such regulations as are appropriate relating to the use and maintenance of such facilities. Trash, garbage and refuse collection at the Project shall be provided by private companies engaged by the Association. Services that are provided to the Project by Metro do not include trash, garbage or refuse removal.

- (g) If, due to the act or neglect of a Unit Owner, or any agent, servant, tenant, family member, invitee, licensee or household pet of the Unit Owner, damage shall be caused to another Unit (including any Private Element), any Limited Common Element appurtenant to another Unit, or any General Common Element, or if any maintenance, repair or replacement of any utility lines or other items serving a Unit is required (a “**Required Repair**”) and necessitates any maintenance, repair or replacement of another Unit (or its Private Elements), or any Common Elements, then the Unit Owner whose act, neglect or Required Repair necessitated the other work shall pay for such damage, maintenance, repairs and/or replacements to the other Unit and the Common Elements, as applicable.

15. **Easements and Encroachments.**

- (a) Joint and mutual easements hereby exist for the following:

17. **Enforcement.**

- (a) In the event of any violation of the provisions of the Act, this Declaration, the By-Laws, or the Rules and Regulations by a Unit Owner, the Association shall have all of the rights and remedies that may be provided for in the Act, this Declaration, the By-Laws, the Rules and Regulations, or that may be available at law or in equity. Any violation by an Occupant of a Unit shall be deemed to be a violation by the Unit Owner for all purposes hereunder. Said remedies shall include but are not limited to an action or other proceeding against such defaulting Unit Owner, the Occupant and/or others for the appointment of a receiver for the Unit and ownership interest of such Unit Owner, for damages, for injunction or specific performance, for judgment, for payment of money and collection thereof, for the right to take possession of the Unit and to sell the same as provided hereinafter in this Section, for any combination of remedies, or for any other relief.
- (b) Further, in the event any Unit Owner:
  - (i) Fails to maintain such Owner's Unit (including its Private Elements) or the Limited Common Elements appurtenant to such Unit;
  - (ii) Fails to pay any Assessment when due; or
  - (iii) Violates or defaults under any other provision of the Act, this Declaration, the By-Laws or the Rules and Regulations

and if such failure, violation or default shall continue for ten (10) days after notice to the Unit Owner in writing from the Board or another Unit Owner, or shall occur repeatedly during any ten (10) day period after such written notice or request to cure such violation, the Board or such other Unit Owner shall have the right, in addition to any other rights provided for in this Declaration (a) to enter upon any portion of the Project upon which or as to which such violation or breach exists, and to summarily abate and remove, at the expense of the defaulting Unit Owner, any structure, thing or condition that may exist thereon contrary to the intent and meaning of the provisions hereof, without the Board or such other Unit Owner, or its employees or agents, being deemed guilty in any manner of trespass; (b) to perform any required maintenance; (c) to advance and pay any past due amounts; or (d) to do any other reasonable act necessary to cure such default. In such event, the Association shall have a lien securing payment of all unpaid Assessments and all costs in connection with the foregoing, upon (1) the Unit; (2) the Unit's appurtenant interest in the Limited Common Elements; and (3) all of the Unit Owner's Personal Property (the "Defaulting Owner's Property").

- (c) The Association shall be entitled to enforce any lien set forth herein by filing suit in a court of competent jurisdiction and obtaining an order that all the right, title and interest in the Defaulting Owner's Property shall be sold (subject to the lien of any existing and Recorded deed of trust) at a judicial sale upon such notice and terms as the court shall determine, except that the court shall enjoin and restrain the said defaulting Unit Owner from reacquiring such Owner's interest at such judicial sale. The proceeds of any such judicial sale shall first be paid to discharge court costs, court reporter charges, reasonable attorney's fees, and all other expenses of the proceeding and sale, and all such items shall be assessed to the defaulting Unit Owner in said decree. Subject to the rights of any first mortgagee or holder of a recorded first deed of trust with respect to a Unit (as provided in subsection (d) of this Section 17 and Section 26 hereof), any balance of proceeds shall be applied to any unpaid Assessments and other sums due hereunder, and any remaining amounts, shall be paid to the holder of the first lien on the Unit, or any other party entitled thereto. Upon the confirmation of such sale, the purchaser shall thereupon be entitled to a deed to the Unit and the Unit Owner's corresponding rights with respect to the balance of the Defaulting Owner's Property, and to immediate possession of the Unit sold and may apply to the court for a writ of assistance for the purpose of acquiring such possession. The purchaser shall take the interest in the Defaulting Owner's Property subject to the Act, this Declaration, the By-Laws and the Rules and Regulations.
- (d) All sums due hereunder shall also be the personal obligation of the Unit Owner. A successor in title to a Unit shall not be personally obligated to pay any unpaid amounts that have been levied against a Unit unless such successor in title expressly assumes the payment of the same, provided, however, any lien encumbering a Unit as above described shall not be terminated by the transfer of such Unit to the successor. The lien set forth herein shall be subordinate to the lien of any Recorded deed of trust or first mortgage on the interest of such Unit Owner at the time such amounts were due and payable. The holder of any deed of trust that takes possession of the Unit encumbered thereby, forecloses on its deed of trust or accepts a deed-in-lieu of foreclosure for such Unit (i) shall not be liable for more than the most recent six (6) months of past due Assessments (which shall remain a lien on such Unit notwithstanding such foreclosure; and (ii) shall be liable for all Assessments and other sums that first become due and payable with respect to the Unit after the holder takes title thereto. This subsection shall not be amended, changed, modified or rescinded without the prior written consent of all deed of trust beneficiaries of Record.
- (e) Any and all rights and remedies hereunder may be exercised at any time and from time to time, cumulatively or otherwise, by the Board or any Unit Owner.
- (f) All expenses in connection with any actions or proceedings under this Section, including court costs and attorney's fees and other fees and expenses and all damages, liquidated or otherwise, together with interest thereon at the Interest Rate, until paid, shall be charged to and assessed against such defaulting Unit Owner.

18. **Construction and Architectural Standards.**

- (a) **Construction Standards.** With respect to Units constructed by the Declarant, Declarant shall complete the original construction of the Units in accordance with the requirements of the City. With respect to any construction, alteration or improvements to a Unit after the Unit has been acquired by an Owner from the Declarant, no Person shall construct any Unit or other improvements upon a Unit, or after completion of such Unit or other improvements, make any modifications, additions or alterations to such Unit or any structure thereon or improvement thereto, without the prior written approval of the Board, which may at its discretion establish a separate committee or body for such review. In no event shall the Board approve any plans violating the use restrictions set forth in this Declaration, the By-Laws or any architectural covenants that have been submitted to and approved by the City as set forth below (the "**City Requirements**").
- (i) **Review.** The Board may establish from time to time the procedures for review of such modifications, additions or alterations, including without limitation submission requirements, including without limitation plans and designs, payments of review and other costs, and any architectural consultant requirements.
- (ii) **Drainage.** All plans shall comply with and Owners shall be solely responsible for applicable drainage, water conservation, erosion control and storm water detention requirements. No alteration of existing grade or any planting, fences or other improvements that alter the flow of water shall be permitted without the express consent of the Board, which approval shall be for the exclusive benefit of the Declarant or Association, as applicable, and shall not remove or alter the responsibility of any Owner for compliance with such requirements.
- (iii) **Modifications.** Modifications after completion of construction, or additions or changes to the approved plans during construction, must be reviewed and approved. However, review by the Board is not required to paint with originally approved materials and colors, or to replace the roof or other components with duplicates of the original material. Significant new landscaping, grading and any removal of trees or plants must be approved in advance.
- (iv) **Governmental Compliance.** Owners are responsible for making sure that construction conforms to governmental regulations and all local building codes. If the Board notes noncompliance, the Owner will be required to make the necessary changes. However, the Board (or its designated review committee) is not responsible for compliance with governmental requirements.
- (b) **Enforcement.**

- (i) **Fines.** The Board may require the Owner to post a deposit from which the Board may deduct fines for failure to comply with the approved plans and specifications, tree regulations and rules for contractor conduct. The collection of a fine shall not in any way diminish the available remedies at law or equity.
  - (ii) **Suit Permitted.** If any construction is begun that has not been approved or that deviates from approved plans and specifications, the Board, the Declarant or the Association may require the Owner to resolve the dispute through binding arbitration or may bring suit seeking damages, specific performance, declaratory decree and/or injunction, or any other remedy at law or in equity. The Board shall be empowered to bring suits on behalf of the Association. If suit is brought and the court finds that the construction was not approved or that the construction deviated from the approved plans or specifications, then the party bringing suit shall also be awarded reasonable attorney's fees, even if the relief requested is not granted.
  - (iii) **Trees and Hedges.** Improper cutting, removal, lack of care or intentional damage to existing trees and hedges may be subject to the imposition of fines plus a requirement that the tree be replaced with an approved species of comparable caliper, or, if approved by the Board, a combination of trees totaling the caliper of the removed tree, or that hedges be replaced with an approved hedge plant. Fines shall be set by the Board.
  - (iv) **Drainage.** After reasonable notice (except in an emergency), the Declarant or the Association shall have the right but not the obligation to enter onto a Unit, the Private Elements and/or the Limited Common Elements, and correct improper grading or other modification to the Unit which causes drainage problems. Such corrections shall be made at the cost and expense of the Owner of the Unit, who shall promptly reimburse the Declarant or the Association, as applicable. The Unit shall be subject to a lien for the cost if not paid. The Declarant or the Association, as applicable, shall not be required to repair or replace landscaping or other improvements after such action.
  - (v) **No Waiver.** Failure to enforce any provision of this Declaration shall not be deemed a waiver of the right to do so at any time thereafter.
- (c) **Liability.** The Board and its inspectors are concerned primarily with aesthetic considerations, and are not responsible for compliance with governmental requirements or design or construction defects or use of materials affecting the safety or structural integrity of the Buildings. Approval by the Board of an application shall not constitute a basis for any liability of an architect, Declarant, the Directors or the Association for failure of the plans to conform to any applicable building codes or inadequacy or deficiency in the plans resulting in defects in the improvements, or for the performance or quality of work of any builder or architect

approved by it, or for non-compatible or unstable soil conditions or soil erosion, or any other condition of the Project.

19. **Declarant's Rights During Construction and Development of Phases.** The following rights are hereby reserved to and in favor of the Declarant:

- (a) Unit Sales. So long as construction and initial sale of Units shall continue, it shall be expressly permissible for Declarant to construct, maintain and carry on upon portions of the Parcel, other than Units owned by persons other than Declarant, such facilities and activities as, in the sole opinion of Declarant, may be reasonably required, convenient, or incidental to the construction or sale of such residences, including, but not limited to, business offices, signs, Units, utilities, model units, and sales offices (either in existing Units or in a temporary or mobile building or structure), and the Declarant and its invitees shall have an easement for access to such facilities. The right to maintain and carry on such facilities and activities shall include specifically the right to use Units owned by the Declarant as models and sales offices. Declarant may further delegate all of the privileges set forth in this Section 19 to any contractor, builder or other party in the discretion of Declarant. This Section may not be amended without the express written consent of the Declarant.
- (b) Withdrawal or Addition of Property. Declarant reserves the right to amend this Declaration, for the purpose of removing any portion of the Parcel that has not yet been improved with structures from the coverage of this Declaration or to add additional property to be subject to this Declaration by Supplemental Declaration. Such amendment shall not require the consent of any Person other than the Owner(s) of the property to be withdrawn, if not the Declarant. If the property is Common Elements, the Association shall consent to such withdrawal. The inclusion of real property in the term "Project" or on Exhibit A to this Declaration shall not be deemed to obligate Declarant to acquire such real property or to include such property within the Parcel or the Project except in the sole discretion of Declarant.
- (c) Development in Phases. Declarant intends to develop the Parcel and the Project in two or more Phases. Accordingly, the number of Units and types of Units will be increased from time to time by the recording of Supplemental Declarations and/or Plats. Although the Declarant does not guarantee that the buildings reflected on the Project Sketch Plan will be constructed, construction of any buildings or improvements will be performed in accordance with applicable governmental regulations, codes and ordinances. The inclusion of any land in the definition of the Parcel shall not preclude the Declarant from exercising full control over such land until such time as a Plat shall be recorded submitting the land and the Parcel to specific Units or other improvements.
- (d) Right to Transfer or Assign Declarant Rights. Any or all of Declarant's special rights and obligations set forth in this Declaration or the By-Laws may be transferred in whole or in part to other Persons; provided, the transfer shall not

reduce an obligation nor enlarge a right beyond that which Declarant has under this Declaration or the By-Laws. No such transfer or assignment shall be effective unless it is in a written instrument Declarant signs and records. The foregoing sentence shall not preclude Declarant from permitting other Persons to exercise any right reserved to Declarant in this Declaration as an agent, employee or contractor of Declarant where Declarant does not intend to transfer such right in its entirety, and in such case it shall not be necessary to Record any written assignment unless necessary to evidence Declarant's consent to such exercise. In the event Declarant ceases to act as Declarant and abandons its role as Declarant after the end of the Declarant Control Period, then the Association shall have and may exercise all rights of Declarant without the necessity of a written assignment by the Declarant that fulfilled Declarant's obligations prior to such transfer.

- (e) Termination of Rights. The rights contained in this Section shall not terminate until the earlier of (a) forty (40) years from the date this Declaration is recorded; or (b) recording by Declarant of a written statement that all development and sales activity has ceased.

20. **Association's Right to Purchase at a Foreclosure Sale.**

- (a) The Board shall have the power and authority to bid and purchase, for and on behalf of any Unit or interest therein, at a sale pursuant to a deed of trust or mortgage foreclosure, a foreclosure of the lien for any Assessment or other sums due hereunder, or an order or direction of a court, or at any other involuntary sale, upon the consent of all Unit Owners who are then current in the payment of all sums due hereunder. Such consent shall set forth a maximum price that the Board or its duly authorized agent may bid and pay for said Unit.
- (b) The Board shall have the right to make such mortgage arrangements and special assessments proportionately among the respective Unit Owners and other such financing arrangements as the Board may deem desirable in order to close and consummate the purchase of a Unit or interest therein by the Association. However, no such financing arrangement may be secured by an encumbrance on any interest in the Project other than the Unit or interest therein to be purchased and the membership interest in the Association appurtenant thereto.

21. **Amendments.**

- (a) During the Declarant Control Period, Declarant may unilaterally amend this Declaration subject only to the requirement that nothing in such amendment violate any requirement of any Federal Entity. Further, so long as Declarant owns any portion of the Project, Declarant may unilaterally amend this Declaration so long as such amendment is designed to comply with any law, regulation or provision of any Federal Entity. Declarant reserves the right and power, to be exercised without the consent of any Unit Owner or his mortgagee (subject to the provisions of Section 26 hereof), to make and Record a special amendment ("Special

**Amendment**”) to this Declaration and to the Plat at any time and from time to time which causes this Declaration or the Plat (i) to comply with requirements of any and all Federal Entities or any other governmental agency or any other public, quasi-public, or private entity which performs (or may in the future perform) functions similar to those currently performed by such entities, (ii) to induce any of such agencies or entities to make, purchase, sell, insure, or guarantee first mortgages covering a Unit, (iii) to correct clerical or typographical errors in this Declaration, the By-Laws or any Exhibit hereto or any supplement or amendment thereto, or (iv) to change or modify any of the terms or conditions of this Declaration and the Plat based upon Declarant’s determination, made in good faith, that such change or modification is in the best interests of the Project and is consistent with the intent and purposes of this Declaration and the Plat. In furtherance of the foregoing, a power coupled with an interest is hereby reserved and granted to Declarant to vote in favor of, make, or consent to a Special Amendment on behalf of each Unit Owner as proxy or attorney-in-fact, as the case may be. Each deed, mortgage, trust deed, other evidence of obligation, or other instrument affecting a Unit, and the acceptance thereof shall be deemed to be a grant and acknowledgment of, and a consent to the reservation of, the power of Declarant to vote in favor of, make, execute and Record Special Amendments. The right of Declarant to act pursuant to rights reserved or granted under this Section 21 shall terminate at such time as Declarant no longer holds or controls title to any portion of the Project.

- (b) In addition to the foregoing, during the Declarant Control Period, this Declaration may be amended by a sixty-seven percent (67%) affirmative vote of those Unit Owners present at any duly called meeting, and the written approval of the Declarant.
- (c) Following the Declarant Control Period, the provisions of this Declaration may be amended by an instrument in writing, setting forth such amendment, signed by a Majority of the Unit Owners; provided, however, that all lien holders of Record have been notified by certified mail of such amendment, and an affidavit by the Secretary of the Association certifying to such mailing is made a part of such instrument. However, if the Act, this Declaration or the By-Laws require the consent or agreement of all Unit Owners or of all lien holders for any action specified in the Act or in this Declaration, then any instrument amending any provision of this Declaration with respect to such action shall be signed by all Unit Owners and/or all lien holders or both as required by the Act or this Declaration. Whenever the approval of a lien holder is required hereunder, such approval shall be implied approval if the lien holder fails to submit a response to any written proposal for an amendment within sixty (60) days after it receives proper notice of the proposal, provided the notice was delivered by certified or registered mail, with a "return receipt" requested.
- (d) No provision of this Declaration may be amended so as to conflict with the provisions of the Act.

- (e) Any permitted amendment to the Declaration shall only be effective upon the Recording of such instrument.

22. **Rights and Obligations.**

- (a) Each grantee of Declarant, by the acceptance of a deed of conveyance, accepts the same subject to all restrictions, conditions, covenants, reservations, liens, and charges, and the jurisdiction, rights, and powers created or reserved by this Declaration. All future Unit Owners and Occupants shall be subject to and shall comply with the provisions of this Declaration. Any restrictions or rules in the By-Laws that are more than administrative in nature such as, but not limited to, reservations and future rights of Declarant are hereby incorporated into and made a part of this Declaration by reference. All rights, benefits and privileges hereby imposed shall be deemed and taken to be covenants running with the land, and shall bind any party having at any time any interest or estate in said land, and shall inure to the benefit of such grantee in like manner as though the provisions of this Declaration were recited and stipulated at length in each and every deed of conveyance or contract for conveyance.
- (b) All present and future Unit Owners and Occupants of Units shall be subject to, and shall comply with, the provisions of the By-Laws appended hereto and Recorded herewith, as they may be amended from time to time. The acceptance of a deed of conveyance, devise, or lease to a Unit, or the entering into occupancy of any Unit shall constitute an agreement that the provisions of the By-Laws, and any Rules and Regulations promulgated thereunder, as they may be amended from time to time, are assumed, accepted and ratified by such Unit Owner or Occupant, and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any party having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance or lease thereof.

23. **Condemnation.**

- (a) In the event of a taking of part of the Common Elements in condemnation or by eminent domain, the award made for such taking shall be payable to the Association.
- (b) If the taking applies to Limited Common Elements, the Board shall release the entire award to the Owners of the Units to which such Limited Common Elements are appurtenant.
- (c) If the taking applies to General Common Elements, and a majority of the Board in their sole and absolute discretion approve the repair and restoration of such General Common Elements, the Board shall arrange for the repair and restoration of such General Common Elements, and the Board shall disburse the proceeds of such award to the contractors engaged in such repair and restoration in appropriate progress payments. In the event the Board does not approve the repair and

commence restoration of such General Common Elements within one hundred twenty (120) days after taking by the public or private authority, the Board shall disburse the net proceeds of such award to the Unit Owners in equal shares.

24. **Mortgages and Deeds of Trust.** Each Unit Owner shall have the right, subject to the provisions herein, to mortgage the Owner's Unit and all rights appurtenant thereto. No Unit Owner shall have the right or authority to mortgage or place a lien on any other portion of the Project.
25. **Federal Entity Regulations.** Notwithstanding anything to the contrary contained in this Declaration or in the By-Laws, all terms, conditions, regulations, and requirements that are now existing, or which may be amended from time to time by any Federal Entity, if any, pertaining to planned unit developments containing detached homes are hereby incorporated as terms and conditions of this Declaration and the By-Laws and such shall be governing upon the Project, Declarant, and the Association, so long as such terms or conditions are not inconsistent with the laws of the State of Tennessee as found in T.C.A., Section 66-27-101, et seq., as amended.
26. **Mortgage Protections.** The following declarations shall be controlling over any terms of this Declaration or By-Laws which are in conflict therewith:
  - (a) A first mortgagee and any insurer or guarantor of any mortgage or deed of trust on a Unit at such party's request shall be entitled to a financial statement of the Association for the preceding fiscal year; and
  - (b) Unless all of the first mortgagees (based upon one (1) vote for each mortgage owned) or Owners (other than the Declarant) of Units have given their prior written approval, the Association shall not be entitled to:
    - (i) Change the percentage interests of ownership of all or any Unit or Unit Owners, except that the percentage ownership of the Association may be reduced due to the addition of a Phase or Phases to the Planned Unit Development, if contemplated herein;
    - (ii) Partition or subdivide any Unit or the Common Elements;
    - (iii) By act or omission seek to abandon the Planned Unit Development;
    - (iv) Encumber, sell or transfer the Common Elements, except for the granting of easements for public utilities or for other purposes consistent with the intended use of the Common Elements;
    - (v) Use property insurance proceeds for losses to the Project other than for the repair, replacement or reconstruction of such improvements, except as provided by T.C.A. Section 66-27-118;

- (c) Unit Owner, first mortgage holders and insurers or guarantors of any first mortgage shall have the right to examine the books, records, current copies of this Declaration, the By-Laws and the Rules and Regulations during normal business hours and upon request;
- (d) An adequate reserve fund for the maintenance, repair and replacement of the Common Elements that may be replaced on a periodic basis may be established and funded in accordance with any budget adopted in accordance with this Declaration;
- (e) As set forth in T.C.A., Section 66-27-120, all taxes, assessments, and charges that may become liens prior to the first mortgage under the laws of the State of Tennessee shall relate only to the Unit and not to the Project as a whole;
- (f) No Unit Owner, or any other party, shall have priority over any rights of the first mortgagees of Units in the case of a distribution to Unit Owners of insurance proceeds or condemnation awards for losses to or a taking of Units and/or Common Elements;
- (g) Any agreement for professional management of the property, whether it be by the Declarant, the Declarant's successors and assigns, or any other person or entity, may be terminated on ninety (90) days' written notice, and the terms of any such contract shall so provide and shall not be of a duration in excess of three (3) years;
- (h) During the Declarant Control Period, the Association shall not be bound, directly or indirectly, to contracts or leases unless the Association has the right to terminate the same upon not more than ninety (90) days' notice without penalty
- (i) Upon written request, the Association shall give to any mortgagee of a Unit, any Federal Entity or any lending institution servicing such mortgages as are acquired by a Federal Entity, or any insurer or guarantor of a mortgage or deed of trust on a Unit, timely notice in writing of any loss to or the taking of Common Elements if such loss or taking exceeds Fifty Thousand (\$50,000.00) Dollars, or of any other condemnation or casualty loss that affects either a material portion of the Project or the Unit subject to the mortgage or deed of trust, a lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association, or any proposed action that requires the consent of a specified percentage of mortgagees. The Association may rely upon the information contained in the book entitled "Mortgage of Units" as must be established pursuant to the By-Laws, for a list of mortgagees to be notified hereby;
- (j) The interest of a first mortgagee in a mortgaged Unit shall be superior to the interests of any person, group, partnership, corporation, or entity of any kind, including any interest that the Association, the Declarant, or any Unit Owner may have in any portion of the Unit, regardless of the nature of the interest or the manner in which it is acquired;

- (k) Notwithstanding the above, any first mortgagee shall have all of the rights granted to a first mortgagee herein, and in addition shall have all of the rights granted to an institutional first mortgagee under its deed of trust, and under the laws of the State of Tennessee;
  - (l) A first mortgagee of a Unit, upon written request, is entitled to written notification from the Association of any default in the performance by the Unit Owner of any obligation under this Declaration or the By-Laws that is not cured within sixty (60) days; and
  - (m) The property and liability insurance and any fidelity bond coverage required to be maintained by the Association shall meet the requirements specified in Fannie Mae Lending Guide, Chapter Three, Part 5, Insurance Requirements.”
27. **Notices.** Notices provided for in the Act, the Declaration or the By-Laws shall be in writing and shall be addressed to the Association, at 5202 Centennial Blvd., Suite 107, Nashville, Tennessee 37209, with a copy to Declarant at 425 Huehl Road, Building 18, Northbrook, Illinois, 60062, or at such other address or addresses as hereafter provided by the Association or filed with the Tennessee Secretary of State. ### ARTICLE IV

#### **Assessments**

**Section 1.** **Annual Budget.** The Board shall establish an annual budget to provide for the needs of the Project. **Section 2. Except for Shortfalls occurring during the Declarant Control Period which shall be paid as provided in Section 8(c) of the Declaration, in the event the Board fails to approve an estimated annual budget or to determine new monthly assessments for any year, or shall be delayed in so doing, each Unit Owner shall continue to pay each month the amount of such Owner's respective monthly assessment as last determined until a new assessment is established by the Board, at which time the Unit Owner shall be responsible to pay any Shortfall needed to pay in full the adjusted monthly assessments established by the Board for such year for the months prior to the date the new annual assessments for such year are established. Each Unit Owner shall pay such Unit Owner's monthly assessment on or before the first day of each month with such payment being directed to the Board, the Managing Agent, if any, or as may otherwise directed by the Board.

**Section 3. **Section 4. If any Unit Owner shall fail or refuse to make any such payment when due, such delinquent payment shall be subject to a late charge in an amount established by the Board, and such delinquent payment shall also bear interest at the Interest Rate set forth in the Declaration. Such delinquent payment, together with penalty and interest, shall constitute a lien, as provided in the Act and the Declaration, enforceable by the Board, on the Defaulting Owner's Property as provided in the Declaration.

**Section 5. Records and Statement of Account.** The Board shall cause to be kept detailed and accurate records in chronological order of expenditures by the Association affecting the Project, specifying and itemizing the Common Expenses so incurred.

When less than all the Unit Owners are responsible for the existence of any such lien, only those Unit Owners responsible shall be jointly and severally liable for the amount necessary to discharge the same and for all costs and expenses, including attorney's fees, incurred by reason of such lien.

- (b) Subject to the terms and provisions of Section 14 of the Declaration, each Unit Owner shall maintain such Owner's Unit in good condition and in good order and repair, at such Owner's expense, and shall not do or allow anything to be done in such Owner's Unit that may increase the cost or cause the cancellation of any

insurance carried by the Association on the Project or carried by other Unit Owners on their Units.

- (c) No Unit Owner shall display, hang, store or use any clothing, sheets, blankets, laundry, or other articles outside such Owner's Unit, or which may be visible from the outside of such Owner's Unit (other than draperies, curtains, or shades of a customary nature and appearance and flags as otherwise permitted herein, subject to the Rules and Regulations), or paint or decorate or adorn the outside of such Owner's Unit, or install outside such Owner's Unit any canopy or awning, or Citizens Band radio transmitters, neon signs, or other equipment, fixtures or items of any kind unless the same shall be in keeping with the quality of the Project and Units as originally constructed.
- (d) No exterior radio, television, microwave, or other antennae, antennae dish, or signal capture or distribution device shall be permitted outside any Unit except to the extent such prohibition is not permitted by applicable law. The Declarant or the Association may establish one or more exterior audio, television, microwave, other antennae or antennae dish, or signal capture and distribution devices as Common Elements for the Project.
- (e) The foregoing restrictions as to use and occupancy shall not be construed to prohibit a Unit Owner from placing and maintaining outdoor furniture and decorative foliage of a customary nature and appearance on a patio or deck that is a Private Element.
- (f) Holiday decorations within and on the exterior of Units and on Units are permitted, subject to the following: (i) No decoration that includes lights or sound may constitute a nuisance or undue interference with the quiet enjoyment of neighbors, as determined by the Board or the Managing Agent on behalf of the Board. In making such determination, the Board may reasonably consider such factors as sound level, flashing or strobe lighting effects, and the offensive nature of decorations to a reasonable person; (ii) no display with illumination or sound may remain on past 11:00 p.m. or such other time limit as may be established by the Board from time to time; and (iii) no decoration shall remain on display or be visible from the exterior of the Unit, whether illuminated or not, for more than fifteen (15) days after the holiday event. - (g) Except for permitted signs with respect to Live/Work Units as set forth in the Declaration, no Unit shall display, hang, store or use any signs or flags outside such Owner's Unit or which may be visible from the outside of such Owner's Unit (except for special events or sports flags for no longer than 48 hours at a time or as otherwise expressly permitted under the Board's Rules and Regulations) without the prior written permission of the Board or the written permission of the Managing Agent, acting in accord with the Board's discretion. So long as Declarant owns any Units, the Declarant shall not require Board approval for signage it deems necessary for the marketing of the Project. Notwithstanding the foregoing, a Unit Owner may display the flag of the United States of America provided such flag is appropriately

illuminated and is no larger than a standard size customarily used for residential purposes, as determined by the Board in its discretion.

- (h) Except for rights reserved by the Declarant pursuant to Section 19 of the Declaration with respect to temporary structures used for sales or other purposes, no structure of a temporary character, trailer, motor home, boat, tent, shack, garage, barn, or other out-buildings shall be permitted on the Project at any time, temporarily or permanently, except with the prior written consent of the Board; provided, however, that temporary structures may be erected for use in connection with the repair or rebuilding of the Buildings or any portion thereof.
- (i) No animals, reptiles, rodents, livestock, birds, or poultry of any kind shall be raised, bred or kept in or on any Units, except that a maximum of two dogs, cats or such other household pets approved by the Association (or a combination thereof not to exceed a total of two pets) may be kept in a Unit, provided such pets are not kept, bred or maintained for any commercial purposes and provided that no aggressive breeds of dogs may be kept, as determined by the Board from time to time. Notwithstanding the foregoing, no household animal may be kept in or about any Unit if such keeping results in an annoyance or is obnoxious to residents in the vicinity. In any event, each Owner shall be absolutely liable to all remaining Owners, their families, guests, invitees and tenants and to the Association for any and all damage to person or property caused by any pets brought or kept in or upon any Unit or on the Common Elements by any Owner or by members of its family, guests or invitees. Each Owner shall be responsible for cleaning up after its pet. No pet may be off-leash when not within the Owner's Unit, except to the extent that the Association maintains designated off-leash areas. The Board shall determine conclusively, in its sole and absolute discretion, whether, for the purpose of this subparagraph (i) an animal is appropriately considered as a household pet or not; and (ii) whether any household pet is a nuisance and therefore to be removed from the Project. The Board may permit variances to the restrictions set forth in this subsection in the Board's sole discretion; provided only that the Board treat similarly situated Owners in a similar manner. The Board may further establish rules and regulations for control of animals and household pets, and may impose fines for violations in addition to requiring removal of animals from the Project.
- (j) Every garage door shall be equipped with a remote-controlled garage door opener, and every garage door shall be kept closed except when the garage is being entered or exited or for so long as a Person is present in the garage. All driveways shall be paved with a hard-surfaced material in accordance with the construction and architectural requirements of the Association and in compliance with the SP Approval.
- (k) Trash, garbage and other waste shall be kept only in sanitary containers, and shall be disposed of in a clean and sanitary manner as prescribed from time to time in the Rules and Regulations of the Board.
- (l) Articles of Personal Property, such as baby carriages, bicycles, wagons, toys, furniture, clothing and other articles, shall not be stored in the front of the Units. Storage of boats, trailers, campers, and motor homes on the Project shall not be

- (n) Each Owner shall pay any real and personal property taxes or charges assessed against his respective Unit and the utility charges for said Unit.
- (o) No Owner shall permit any thing or condition to exist upon any portion of such Owner's Unit that shall induce, breed, or harbor infections, plant diseases, vermin or noxious insects.
- (p) The Board shall have the right of inspection and entry onto Units in order to perform the duties and obligations of the Board under this Declaration and under the By-Laws. In addition, the Declarant, the Association, and their designees shall have the right to enter upon a Unit for the purpose of cutting grass, hedges and shrubbery and providing maintenance agreed upon with the Owner thereof.
- (q) The use of storage areas shall be subject to the Rules and Regulations.
- (r) Any drapes or window treatments in any Unit which can be seen from the exterior of a Unit shall be lined or backed with material which is white, off-white or neutral so that no other color other than those set forth above can be seen on the window treatment from the exterior, except as may be approved by the Association or the Board.
- (s) No Unit Owner shall overload the electrical wiring in a Building, or operate any machines, appliances, accessories or equipment in such manner as to cause, in the judgment of the Board, an unreasonable disturbance to others.

**Section 2. Architectural Control.** Subject to the architectural control provisions set forth in the Declaration (and the rights reserved to Declarant therein):

- (a) Any Unit Owner may make alterations, additions or improvements within the Owner's Unit (including the Private Elements) and the Limited Common Elements appurtenant to the Unit without the prior written approval of the Board, but such Unit Owner shall be responsible for any damage to other Units or the other Common Elements or any part thereof, resulting from such alterations, additions or improvements.
